THIS AGREEMENT (“**Agreement**”) is made and entered into to be effective the 1st day of _____, 2018, by and between:

AVALON GROVES COMMUNITY DEVELOPMENT DISTRICT, a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, and located at 250 International Parkway, Suite 280, Lake Mary, Florida 32746 (“**District**”); and

AQUATIC SYSTEMS, INC., a Florida corporation, whose mailing address is 2100 NW 33rd Street, Pompano Beach, Florida 33069 (“**Contractor**”).

RECITALS

WHEREAS, the District is a community development district located in Lake County, Florida, and established to plan, construct, install, acquire, finance, manage and operate public improvements and community facilities pursuant to Chapter 190, *Florida Statutes*; and

WHEREAS, the District has a need to retain an independent contractor to provide aquatics maintenance services to fifteen (15) ponds within and around the District, which are hereinafter collectively referred to as the “**Ponds**” and which are identified in **Exhibit A**, attached hereto; and

WHEREAS, the Contractor submitted a price quotation and represents that it is qualified to serve as an aquatics maintenance contractor and provide such services to the District;

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, it is agreed that the Contractor is hereby retained, authorized, and instructed by the District to perform in accordance with the following covenants and conditions, which both the District and the Contractor have agreed upon:

1. INCORPORATION OF RECITALS. The recitals stated above are true and correct and are incorporated by reference herein as a material part of this Agreement.

2. DESCRIPTION OF WORK AND SERVICES. The Contractor shall provide services set forth in **Exhibit B**. In addition to the two monthly site visits, the Contractor shall provide unlimited visits to address any problems that may arise between the scheduled site visits.

The Contractor shall provide all aquatics maintenance services within presently accepted standards, and shall ensure that all services are sufficient to maintain the applicable properties consistent with the District’s applicable permits and/or conservation easements, as well as applicable federal, state and local laws. While providing the services identified in this Agreement, the Contractor shall assign such staff as may be required, and such staff shall be responsible for coordinating, expediting, and controlling all aspects to assure completion of the services. Contractor shall solely be responsible for the means, manner and methods by which its duties, obligations and responsibilities are met to the satisfaction of the District.

At no time shall the Contractor use any products, compounds, or materials that contain copper in any form in any of the water bodies within the project area unless such products, compounds, or materials are specifically approved for usage in water bodies by both the U.S. Environmental Protection Agency and the State of Florida. Usage of such products, compounds, or materials must also be in compliance with applicable South Florida Water Management District (“SFWMD”) rules and any and all SFWMD permits issued to the District.

3. ACCEPTANCE OF THE SITE. By executing this Agreement, the Contractor agrees that the Contractor was able to inspect the Ponds prior to the time of the execution of this Agreement, and that the Contractor agrees to be responsible for the care, health, and maintenance of the existing Ponds, regardless of the current condition of the Ponds and at no additional charge to the District. No changes to the compensation set forth in this Agreement shall be made based on any claim that the existing Ponds were not in good condition or otherwise differ materially from conditions ordinarily encountered.

4. MANNER OF CONTRACTOR’S PERFORMANCE. The Contractor agrees, as an independent contractor, to undertake work and/or perform such services as specified in this Agreement or any addendum executed by the Parties or in any authorized written work order by the District issued in connection with this Agreement and accepted by the Contractor. All work shall be performed in a neat and professional manner reasonably acceptable to the District and shall be in accordance with industry standards. The performance of all services by the Contractor under this Agreement and related to this Agreement shall conform to any written instructions issued by the District.

A. Should any work and/or services be required which are not specified in this Agreement or any addenda, but which are nevertheless necessary for the proper provision of services to the District, such work or services shall be fully performed by the Contractor as if described and delineated in this Agreement.

B. The Contractor agrees that the District shall not be liable for the payment of any work or services not included in Section 2 of this Agreement unless the District, through an authorized representative of the District, authorizes the Contractor, in writing, to perform such work.

C. The District shall designate in writing a person to act as the District’s representative with respect to the services to be performed under this Agreement. The District’s representative shall have complete authority to transmit instructions, receive information, interpret and define the District’s policies and decisions with respect to materials, equipment, elements, and systems pertinent to the Contractor’s services.

- (1) The District hereby designates its District Manager to act as its representative.
- (2) The Contractor agrees to meet with the District’s representative to walk the property to discuss conditions, schedules, and items of

concern regarding this Agreement.

- (3) The Contractor shall attend the District's monthly meetings and be prepared to report to the District's Board of Supervisors regarding the aquatics maintenance services.

D. The Contractor shall use all due care to protect the property of the District, its residents, and landowners from damage. The Contractor agrees to repair any damage resulting from the Contractor's activities and work within twenty-four (24) hours.

5. COMPENSATION; TERM.

A. As compensation for the monthly maintenance services described in this Agreement, the District agrees to pay the Contractor Nine Hundred Dollars (\$900.00) per month.

B. As soon as may be practicable at the beginning of each month, the Contractor shall invoice the District for all services performed in the prior month and any other sums due to the Contractor. The District shall pay the invoice amount within thirty (30) days after the invoice date. The Contractor may cease performing Services under this Agreement if any payment due hereunder is not paid within thirty (30) days of the invoice date. Each monthly invoice will include such supporting information as the District may reasonably require the Contractor to provide.

C. Work shall commence on the date first written above and end September 30, 2019, which is the end of the District's fiscal year. This Agreement shall automatically renew for one year periods, unless terminated pursuant to the terms of this Agreement. The Contractor acknowledges that the prices of this Agreement are firm and that the Contractor may change the prices only with the District's consent. All prior agreements between the parties with respect to the subject matter of this Agreement are terminated upon the execution of this Agreement.

6. INSURANCE.

A. The Contractor shall maintain throughout the term of this Agreement the insurance set forth in **Exhibit C**.

B. If any such policy of insurance is a "claims made" policy, and not an "occurrence" policy, the Contractor shall, without interruption, maintain the insurance for at least four years after the completion or termination of this Agreement.

C. The District, its staff, consultants and supervisors shall be named as additional insureds on each policy (with the exception of the Professional Liability Insurance and Worker's Compensation Insurance). The Contractor shall furnish the District with the Certificate of Insurance evidencing compliance with the requirements of this section. No certificate shall be acceptable to the District unless it provides that any change or termination within the policy periods of the insurance coverages, as certified, shall not be effective within thirty (30) days of prior written notice to the District. Insurance coverage shall be from a reputable insurance carrier, licensed to conduct business

in the State of Florida.

D. If the Contractor fails to have secured and maintained the required insurance, the District has the right (without any obligation to do so, however), to secure such required insurance in which event, the Contractor shall pay the cost for that required insurance and shall furnish, upon demand, all information that may be required in connection with the District's obtaining the required insurance.

7. INDEMNIFICATION. Contractor agrees to defend, indemnify, and hold harmless the District and its officers, agents, employees, successors, assigns, members, affiliates, or representatives from any and all liability, claims, actions, suits, liens, demands, costs, interest, expenses, damages, penalties, fines, judgments against the District, or loss or damage, whether monetary or otherwise, arising out of, wholly or in part by, or in connection with the services to be performed by Contractor, its subcontractors, its employees and agents in connection with this Agreement, including litigation, mediation, arbitration, appellate, or settlement proceedings with respect thereto. Additionally, nothing in this Agreement requires Contractor to indemnify the District for the District's percentage of fault if the District is adjudged to be more than 50% at fault for any claims against the District and Contractor as jointly liable parties; however, Contractor shall indemnify the District for any and all percentage of fault attributable to Contractor for claims against the District, regardless whether the District is adjudged to be more or less than 50% at fault. Contractor further agrees that nothing herein shall constitute or be construed as a waiver of the District's limitations on liability contained in section 768.28, *Florida Statutes*, or other statute. Obligations under this section shall include the payment of all settlements, judgments, damages, liquidated damages, penalties, forfeitures, back pay awards, court costs, arbitration and/or mediation costs, litigation expenses, attorneys' fees, paralegal fees (incurred in court, out of court, on appeal, or in bankruptcy proceedings), any interest, expenses, damages, penalties, fines, or judgments against the District.

8. SOVEREIGN IMMUNITY. Contractor agrees that nothing in the Agreement between the parties shall constitute or be construed as a waiver of the District's limitations on liability contained in section 768.28, *Florida Statutes*, or other statute or law.

9. COMPLIANCE WITH LAWS. The Contractor shall keep, observe, and perform all requirements of applicable local, State, and Federal laws, rules, regulations, or ordinances. The Contractor shall promptly notify the District in writing upon receipt of any notice, order, required to comply notice, or a report of a violation or an alleged violation, made by any local, State, or federal governmental body or agency or subdivision thereof with respect to the services being rendered under this Agreement or any action of the Contractor or any of its agents, servants, employees, or materialmen, or with respect to terms, wages, hours, conditions of employment, safety appliances, or any other requirements applicable to provision of services. Additionally, Contractor shall promptly comply with any requirement of such agency after receipt of any such notice, order, request to comply notice, or report of a violation or an alleged violation.

10. LIENS AND CLAIMS. The Contractor shall promptly and properly pay for all labor employed, materials purchased, and equipment hired by it to perform under this Agreement. The

Contractor shall keep the District's property free from any materialmen's or mechanic's liens and claims or notices in respect to such liens and claims, which arise by reason of the Contractor's performance under this Agreement, and the Contractor shall immediately discharge any such claim or lien. In the event that the Contractor does not pay or satisfy such claim or lien within three (3) business days after the filing of notice thereof, the District, in addition to any and all other remedies available under this Agreement, may terminate this Agreement to be effective immediately upon the giving notice of termination.

11. DEFAULT; THIRD PARTY INTERFERENCE. A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages, injunctive relief, and/or specific performance. The District shall be solely responsible for enforcing its rights under this Agreement against any interfering third party. Nothing contained in this Agreement shall limit or impair the District's right to protect its rights from interference by a third party to this Agreement.

12. CUSTOM AND USAGE. It is hereby agreed, any law, custom, or usage to the contrary notwithstanding, that the District shall have the right at all times to enforce the conditions and agreements contained in this Agreement in strict accordance with the terms of this Agreement, notwithstanding any conduct or custom on the part of the District in refraining from so doing; and further, that the failure of the District at any time or times to strictly enforce its rights under this Agreement shall not be construed as having created a custom in any way or manner contrary to the specific conditions and agreements of this Agreement, or as having in any way modified or waived the same.

13. SUCCESSORS. This Agreement shall inure to the benefit of and be binding upon the heirs, executors, administrators, successors, and assigns of the parties to this Agreement, except as expressly limited in this Agreement.

14. TERMINATION. Either party may terminate this Agreement with or without cause by providing thirty (30) days written notice of termination to the other party. The Contractor agrees that the District may terminate this Agreement immediately with cause by providing written notice of termination to the Contractor. Further, the Contractor agrees that the District may terminate a portion of the services in the District's sole discretion, without terminating the entire Agreement. Upon any termination of this Agreement, the District shall not be liable for any damages of any kind except that Contractor shall be entitled to payment for all work and/or services rendered up until the effective termination of this Agreement, subject to claims or off-sets the District may have against the Contractor.

15. PERMITS AND LICENSES. All ^{CB}permits and licenses required by any governmental agency directly for the District shall be obtained and paid for by the District. All other permits or licenses necessary for the Contractor to perform under this Agreement shall be obtained and paid for by the Contractor.

16. ASSIGNMENT. Neither the District nor the Contractor may assign this Agreement without the prior written approval of the other. Any purported assignment without such written

consent shall be void.

17. INDEPENDENT CONTRACTOR. In all matters relating to this Agreement, the Contractor shall be acting as an independent contractor. Neither the Contractor nor employees of the Contractor, if there are any, are employees of the District under the meaning or application of any applicable insurance, unemployment, or other laws. The Contractor agrees to assume all liabilities or obligations imposed by any one or more of such laws with respect to employees of the Contractor, if there are any, in the performance of this Agreement. The Contractor shall not have any authority to assume or create any obligation, express or implied, on behalf of the District and the Contractor shall have no authority to represent the District as an agent, employee, or in any other capacity, unless otherwise set forth in this Agreement.

18. HEADINGS. The descriptive headings in this Agreement are for convenience only and shall neither control nor affect the meaning or construction of any of the provisions of this Agreement.

19. ENFORCEMENT. In the event that either the District or the Contractor is required to enforce this Agreement by court proceedings or otherwise, then the prevailing party shall be entitled to recover all fees and costs incurred, including reasonable attorneys' fees and costs for trial, alternative dispute resolution, or appellate proceedings.

20. MERGER; ENTIRE AGREEMENT. This instrument shall constitute the final and complete expression of this Agreement between the District and the Contractor relating to the subject matter of this Agreement.

21. AMENDMENTS. Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Contractor.

22. AUTHORIZATION. The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Contractor, both the District and the Contractor have complied with all the requirements of law, and both the District and the Contractor have full power and authority to comply with the terms and provisions of this instrument.

1. Parties; Effective Date. This Contractor Agreement (“**Agreement**”) is between the above-identified Owner and Contractor, and is effective on the Effective Date set forth above. The above-identified Owner shall be deemed a third-party beneficiary of this Agreement with respect to any provision of this Agreement that benefits Project Owner. For the purposes of this Agreement, “Affiliate” means any person or entity that directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with Owner or Contractor. As used in this definition “control” (including, with correlative meanings, “controlled by” and “under common control with”) shall mean possession, directly or indirectly, of power to direct or cause the direction of management or policies (whether through ownership of securities or other ownership interest, by contract or otherwise). Owner and Contractor shall collectively be referred to in this Agreement as the “**Parties**”.

Purpose of Agreement.

1.1 This Agreement is a **“LUMP SUM”** Agreement and sets forth the terms under which Owner may request and Contractor shall provide, as an independent contractor, certain labor, skills and supervision (collectively the **“Work”**) to Owner in connection with the above-identified Project. Work includes all related procurement of materials, supplies, labor, and equipment (collectively the **“Materials and Labor”**) included with and/or used in connection with Work, and/or designated by Owner in Specifications for the Project to complete the Serenoa Project in substantial conformance with plans and specifications as enumerated on Schedule “1” attached hereto. Contractor acknowledges that there is no guarantee of any amount of Work to be awarded under this Agreement but to the extent any Work is agreed to, the terms of this Agreement shall control. The intent of the Parties is to have the contractual terms agreed to in this Agreement so that the Parties can focus solely on the specific business terms of any Work. Contractor agrees to be bound to Owner by the terms of this Agreement and shall assume towards Owner all the obligations and responsibilities, including the responsibility for safety of the Work. Moreover, nothing in this Agreement shall prejudice or impair the rights of Owner. Additionally, Contractor agrees that nothing in any contract between Contractor and any sub-contractor shall prejudice or impair the rights of Owner contained in this Agreement.

2. Agreement Documents.

2.1 This Agreement consists of: (a) this Agreement, which defines the basic terms and conditions of the relationship between the parties; (b) Exhibits to this Agreement; and (c) any amendments agreed to in writing between the parties pursuant to this Agreement ((a) through (c) collectively, shall be referred to herein as the **“Agreement Documents”**). The provisions of the Agreement Documents shall, to the extent possible, be interpreted consistently, and in a manner as to avoid conflict. In the event of a conflict or inconsistency by and between the Agreement Documents, the greater or more stringent requirement shall apply, but in the event this does not resolve such a dispute, the following order of precedence shall apply: (i) Amendments to this Agreement; (ii) Exhibits to this Agreement; and (iii) the terms of this Agreement. Exhibits to this Agreement consist of: Exhibit A – Plans and Specifications; Exhibit B – Construction Schedule; Exhibit C – Trade Specific Scope of Work; Exhibit D – General Conditions; Exhibit E – Site Safety Rules N/A; Exhibit F – Emergency Action Plan; Exhibit G – Insurance Requirements; Exhibit H – Partial Waiver & Release of Lien; Exhibit I – Final Waiver & Release of Lien; Exhibit J – INTENTIONALLY OMITTED; Exhibit K – Sworn Statement Regarding Scrutinized Companies; Exhibit L – Sworn Statement Regarding Public Entity Crimes; and Exhibit M – Trench Safety Act Compliance Statement.

2.2 THIS AGREEMENT AND THE DOCUMENTS SPECIFICALLY INCORPORATED HEREIN BY REFERENCE REPRESENT THE ENTIRE AGREEMENT BETWEEN OWNER AND CONTRACTOR AND SUPERSEDE PRIOR NEGOTIATIONS, REPRESENTATIONS, AND AGREEMENTS - EITHER WRITTEN OR ORAL. TERMS AND CONDITIONS OF PROPOSALS, QUOTATIONS, DELIVERY TICKETS, INVOICES, WORK ORDERS AND OTHER SIMILAR ITEMS, UNLESS SPECIFICALLY MADE A PART OF THIS AGREEMENT, SHALL NOT BE APPLICABLE. ANY AND ALL TERMS OF ANY CONTRACTOR QUOTATIONS, ACKNOWLEDGEMENTS, INVOICES OR OTHER CONTRACTOR DOCUMENTATION RELATED TO THE PROJECT, INCLUDING BUT NOT LIMITED TO THOSE IDENTIFIED ABOVE, ARE HEREBY CANCELLED AND RENDERED NULL AND VOID TO THE EXTENT OF SUCH CONFLICT AND/OR INCONSISTENCY, AND THIS AGREEMENT WILL CONTROL. THIS AGREEMENT MAY BE AMENDED ONLY BY A WRITTEN MODIFICATION SIGNED BY BOTH PARTIES.

3. Ordering Process.

3.1 During the term of this Agreement, Owner may make available Specifications and related documents and information to Contractor related to the Project, and request from Contractor a bid or proposal for Work for the Project. For the purposes of this Agreement, “Specifications” includes all plans, reports, drawings,

sketches, renderings, specifications, option lists, and other related documents in connection with the Project, including all revisions thereto made throughout the progress of the Project.

- 3.2** If requested, Contractor may submit a bid or proposal to Owner in connection with the Project, in which case Contractor: (a) represents and warrants that it has inspected the Project jobsite, if necessary, has found the Project jobsite available and accessible, and has reviewed the Specifications and related documents and information for the Project in formulating and preparing its bid or proposal; (b) shall (as requested by Owner) identify all suppliers, subcontractors, laborers, material suppliers, engineers, agents, consultants and/or other persons from whom Contractor proposes to purchase and/or to contract for necessary Work, Materials and Labor required by Contractor for the Project and any other entity under the direction of Contractor (collectively, “**Contractor’s Agents**”); (c) shall provide any information requested by Owner, including, without limitation, detailed take-offs, Material specifications and literature, quantities, unit costs, labor costs and hours, submittals, shop drawings, insurance costs and other overhead and (d) represents and warrants that it has investigated and confirmed that its proposed Work complies with all applicable local, state and federal ordinances, laws, rules and regulations, including but not limited to building codes, safety laws, all occupational safety and health standards promulgated by the Secretary of Labor under the Occupational Safety and Health Act (collectively, “**Applicable Laws**”), or has brought to the immediate attention of Owner in writing any portion of the Work that does not so comply.
- 3.3** Contractor agrees that all Specifications, including copies thereof, are the property of Owner and are not to be used on other work, except as required for the Work or when permitted by an officer of Owner in writing. Owner shall be deemed the author and owner of the Specifications and shall retain all common law, statutory and other reserved rights, including copyright. All Specifications shall be returned to Owner upon completion of the Work.
- 3.4** During the term of this Agreement, Owner may make available to Contractor: (a) notice to proceed and/or change orders; (b) Specifications, to the extent such Specifications are relevant to the Work; and/or (c) the schedule for the Project, including, but not limited to the Work to be performed by Contractor, that is prepared by Owner and provided to Contractor (“Construction Schedule”). A Construction Schedule may be delivered to Contractor, posted at the Project jobsite and/or published from time to time in electronic format. Any other notice by Owner under this Agreement may be written and/or electronic and may be placed in person by mail, fax, e-mail and/or by or through any other media or mode of communication selected by Owner.
- 3.5** **Acceptance of Work.** If Contractor commences performance of the Work, with or without a fully executed Agreement, it will be deemed to have accepted the terms and conditions of this Agreement. If Contractor commences Work without a fully executed Agreement, it shall do so at its own risk and cost.
- 3.6** Items of Work or Materials omitted from Contractor’s bid or proposal that are clearly inferable from the Specifications presented by Owner shall be performed by Contractor and shall be deemed to be part of the Work, at no additional cost to Owner. The description of Work to be performed by Contractor shall not be deemed to limit the obligations of Contractor. Contractor shall immediately notify Owner in writing of any discrepancy, error, conflict or omission discovered by Contractor or Contractor’s Agents in the Specifications at any time.
- 3.7** Contractor acknowledges and agrees that this is a non-exclusive agreement and that nothing herein constitutes a promise, guarantee, representation or commitment of any minimum or specified number of opportunities or that any Work shall be issued to Contractor hereunder.
- 4. Initiation of Work.**
- 4.1** Contractor shall perform all Work described in the Specifications in accordance with this Agreement. Time is of the essence in connection with all of Contractor’s obligations under this Agreement.

- 4.2** Contractor represents and warrants that it shall be properly authorized to do business in any jurisdiction where it shall perform Work, and that it shall be properly licensed by all necessary governmental authorities for the Work contemplated by this Agreement. Contractor shall, at its sole cost, obtain all permits required for Contractor to perform Work, other than general building permits, which shall be provided by Owner. It is the responsibility of the Contractor to maintain current copies of all licenses and certificates of competency required by all jurisdictions where Contractor shall perform Work, and to provide to and maintain with Owner current copies of these documents to Owner before commencement of Work, and continually throughout the course of the Project should any of these changes in any manner.
- 4.3** Contractor shall have no authority to commence Work at any location of the Project until Contractor has received written notice to proceed from Owner for the specific location.
- 4.4** Contractor represents and warrants that, prior to commencing Work on the Project initially, or at any subsequent time, it shall have:
- (a) thoroughly inspected the then-current state of the Project jobsite and reviewed the latest version of the Specifications and Construction Schedules for the Project, it being Contractor's responsibility to stay informed regarding all changes in the jobsite, Specifications and Construction Schedules throughout the course of the Project;
 - (b) ascertained the jobsite conditions to be encountered in the performance of the Work, including verifications of all grades, measurements and the locations of all existing utilities;
 - (c) inspected all curbs, landscaping, common areas, walks, drives and streets, and reported any damage to Owner (damage found later may be charged to Contractor);
 - (d) verified that all Work, storage and access areas and surfaces related to or adjoining the Work are satisfactory for the commencement of the Work. The commencement of the Work by Contractor shall be deemed as Contractor's acceptance of the jobsite and all access and storage areas; and
 - (e) notified Owner, in writing, of any discrepancy, error, conflict or omission discovered by Contractor at the jobsite, in regards to the Specifications and/or work of others.
- 4.5** Contractor shall inspect the Project prior to beginning its Work. If any problems, vandalism, damage, differences from the Specifications, and/or irregularities in components, which are unacceptable exist as to pre-existing work, Contractor shall promptly notify Owner so that these items are corrected prior to Contractor beginning its Work. Commencement of any Work to be performed by Contractor constitutes an affirmation by Contractor that, to the best of Contractor's knowledge, the work which preceded Contractor's Work has been completed in a proper and acceptable fashion. In no event, should the Contractor be entitled to claim extra compensation as a result of unacceptable surface and/or areas unless same has been reported in writing prior to commencement of work. Thereafter, if any incorrect work by others preceding performance by Contractor necessitates all or a portion of Contractor's Work to be revised or replaced (as determined by Owner in its sole and absolute discretion), the costs of the same shall be borne by Contractor, and such Work shall be subject to Owner's review and acceptance. In addition, Contractor shall be liable and responsible to Owner if Contractor's Work results in problems, defects and/or delays in the work of other contractors or sub-contractors. The completion of any portion of the Work constitutes a warranty on Contractor's part that such portion of the Work is in accordance with all provisions of the Agreement Documents and all Applicable Laws. To the extent all or any portion of the Work fails to meet the foregoing standard, Contractor shall have 48 hours after learning of (or receiving notice of) such failure to begin curing the failure and any damage caused thereby. To the extent, Contractor fails to begin the cure within such 48-hour period, or thereafter fails to proceed diligently, then Owner may, in addition to any other remedies set forth in the Agreement Documents, complete any and all Work it deems necessary and may set off any amounts spent against amounts owed to Contractor by Owner or any of their Affiliates. Furthermore, to the extent that such amounts are insufficient to compensate Owner for monies spent, then Contractor shall remit such deficit to Owner within 5 days of request therefore by Owner.

5. Performance and Progress of Work.

- 5.1** The Contractor has prepared and provided a Construction Schedule (the “**Schedule**”) (attached hereto as Exhibit B) for the Project. The Schedule includes a “**Substantial Completion**” date for these improvements. Should Contractor fail to meet this completion date, Owner has the right to subtract Liquidated Damages Amounts as outlined in Section 5.11.
- 5.2** From time to time Owner may issue instructions to Contractor identifying the Work to be performed at each specific location within the Project, and establishing a Construction Schedule for that portion of the Work. Contractor must review the Construction Schedule daily to verify, prior to commencing any Work any changes to the Construction Schedule and that the correct Materials, colors, options, and elevations are being used, as well as confirming that the schedule is current. Owner may amend the Construction Schedule for the Project from time to time by giving Contractor written notice of the new Construction Schedule, revised Specifications or specific Project jobsite conditions. Owner may also direct that certain parts of the Work be prosecuted in preference to others in order to maintain the progress of the Project.
- 5.3** Upon request, Contractor shall identify to Owner in writing all suppliers and other persons from whom Contractor proposes to purchase or to contract with or has purchased from or contracted with for necessary Materials, Work and other items which may be required by Contractor to fully perform its obligations hereunder. Unless otherwise directed in writing by Owner, Contractor shall furnish, at its own cost and expense, all Work, Materials, and Labor and equipment to perform Work in accordance with the terms of this Agreement. Contractor shall have the necessary personnel available to meet the Construction Schedule, including but not limited to personnel necessary to maintain the Construction Schedule due to any weather delays. Contractor shall pay all taxes, royalties and license fees applicable to Materials furnished by Contractor in the performance of this Agreement. Contractor shall secure and pay for all government approvals, if necessary, for the incorporation of Materials into the Project. Should Contractor use Owner’s equipment or facilities, Contractor shall reimburse Owner at a pre-determined rate prior to the use thereof.
- 5.4** Contractor hereby agrees to comply with all provisions and requirements of the local jurisdiction within which the Project is located, including, but not limited to, those relating to construction noise. Unless otherwise specified by Owner, construction, alteration, or repair activities which are authorized by a valid permit shall be allowed between the hours permitted by the jurisdiction in which the Project is located. On weekends and federal holidays, construction shall be allowed only upon receipt of a weekend/holiday work permit from the local jurisdiction, if required, by its ordinances and/or any applicable homeowner’s association rules. Contractor shall have the option, at its own cost, to provide and maintain feasible noise control measures. If mitigation is not feasible, then Work shall be scheduled during the hours when residents shall be least affected, at no additional cost to Owner. If blasting activities are required to perform the Work, Contractor shall conduct the blasting activities in compliance with all Applicable Laws. Contractor shall submit blasting plans to the local jurisdiction for review and obtain approval prior to commencing any on-site or off-site blasting activities.
- 5.5** Contractor shall perform all Work in accordance with the terms and conditions set forth in this Agreement. Contractor shall coordinate its Work with Owner and other contractors and sub-contractors of Owner and/or other contractors so that there will be no delay or interference with the Work being performed by Owner and its contractors. Contractor shall perform all Work promptly and efficiently and without delaying other work on the Project. Contractor agrees to remedy promptly, at its expense and to the satisfaction of the Owner, and all governmental bodies and agencies having jurisdiction, all defects in its Work (including replacement of defective materials where such materials have been furnished by Contractor or its suppliers) which appear within the Warranty Period (as defined in Section 12.2 of this Agreement). In addition to the foregoing and not by way of limitation thereof, Contractor agrees to repair or replace, to the satisfaction of the Owner and all governmental bodies and agencies having jurisdiction, any of its Work and Materials and any Work and/or Materials of others that are damaged as a result of improper or defective work or materials furnished by Contractor or those working under Contractor, which appear within the Warranty Period. If Contractor should fail or refuse to prosecute the Work properly and diligently or fail to perform any provisions of this Agreement, and should any such failure or refusal continue for 24 hours, or other

legally required times, after notice to Contractor, then such failure shall constitute a material breach of this Agreement. Such breach shall entitle Owner to immediately terminate this Agreement and remedy the situation with all Costs being borne by Contractor.

- 5.6** Owner shall have no liability to Contractor if any other laborer, supplier, sub-contractor or Contractor fails to comply with its respective Construction Schedule thereby delaying the progress of the Work of Contractor or Contractor's Agents. Contractor expressly agrees not to make, and hereby waives, any and all monetary claims for damages against Owner caused by any delay for any cause whatsoever, even those delays caused by Owner and those delays for which Owner may otherwise be liable. Contractor acknowledges that an extension of time shall be its sole and exclusive remedy in this regard. Should the Contractor be delayed in the prosecution of any Work solely by the acts of Owner or by a Force Majeure Event, the time allowed for completion of the Work shall be extended by the number of days that Contractor has been thus delayed, but no allowance or extension shall be made unless a claim therefore is presented in writing to Owner immediately upon the onset of such delay. For the purposes of this Agreement, "Force Majeure Event" shall mean any delay caused by any condition beyond the reasonable control of either Owner or Contractor, including, without limitation, an act of God; flood or other severe weather; war; embargo; fire or other casualty; the intervention of any governmental authority unrelated to any act or failure to act by the party claiming the Force Majeure Event; any act of terrorism or sabotage; and/or a civil riot.
- 5.7** Contractor shall give Owner immediate written notice if Contractor foresees, experiences and/or is advised of any constraint, shortage or insufficiency in the supply of any Materials, labor or other items necessary for Contractor to timely perform its obligations under this Agreement. The giving of such notice shall not excuse Contractor from its obligations hereunder. In the event of any such constraint, shortage or insufficiency, Contractor shall, at its own cost and expense: (a) use its best efforts to promptly resolve any such constraint, shortage or insufficiency and increase its forces, or work such overtime or expedite the delivery of Materials as may be required to bring its Work into compliance with applicable requirements; and (b) provide Owner with priority of supply and labor over any other customer of Contractor, at no additional cost to Owner. In addition, Owner may, at its sole discretion and option, locate, order and take delivery of the affected Materials directly from the manufacturer or an alternative supplier. If Owner exercises this option, then Contractor shall reimburse Owner for all of its Costs associated therewith, and Owner may, on a going forward basis, continue to order and take delivery of the affected Materials directly from the manufacturer or an alternative supplier. Owner may also, at its sole discretion and option, utilize labor from a different contractor to perform the Work.
- 5.8** Contractor shall make no changes in the Work to be performed by it including but not limited to additions, deletions or substitutions, nor shall Contractor perform any additional Work, without the prior written consent of Owner, it being understood that Contractor shall receive no sums in addition to the agreed to price for Work set forth in the Agreement ("**Work Price**"), and no extension in the Construction Schedule, without first obtaining such prior written consent of Owner. Any authorizations for changes in Work required to be performed by Contractor, including performance of additional Work, shall be subject to the terms of this Agreement and shall be upon such written forms as agreed to by Owner and Contractor. Should Owner so request, Contractor shall perform such additional Work so long as Owner agrees in writing to pay Contractor the specified cost of such additional Work together with Contractor's reasonable overhead and profit attributable thereto. Failure of Contractor to perform such additional Work shall constitute a material breach of this Agreement by Contractor, and any dispute concerning the performance of such additional Work, the amount to be paid Contractor by Owner and/or any adjustment in the Construction Schedule shall not affect Contractor's obligation to perform such additional Work. Touchup work, punch-list work and/or minor patching is considered a part of the Work, and shall not be considered additional Work.
- 5.9** If Contractor is delayed (such delay must be a critical path delay) at any time in the progress of the Work by any act of neglect of Owner, or by any agent or contractor employed by Owner, or by changes ordered in the scope of the Work, or by fire, adverse weather conditions not reasonably anticipated, or any other causes beyond the control of Contractor, then the required completion date or duration set forth in the Construction Schedule shall be extended by the amount of time that Contractor shall have been delayed

thereby, subject to Contractor taking all reasonable measures to mitigate the effects of such delay. However, to the fullest extent permitted by law, Owner and their agents and employees shall not be held responsible for any loss or damage sustained by Contractor, or additional costs incurred by Contractor, resulting from a delay caused by Owner, or their Contractors, agents or employees, or any other contractor, or supplier, or by abnormal weather conditions, or by any other cause, and Contractor agrees that the sole right and remedy therefore shall be an extension of time. Additionally:

- (a) Contractor must submit any claim for an extension of time to Owner in writing before the completion of their task and Owner must respond with its response to the request for an extension of time, which shall be at the Owner's sole discretion. Contractor's failure to give such written notice to Owner shall deprive Contractor of its right to claim an extension of time and any damages or additional costs incurred by Contractor resulting from such delay. The giving of such notice shall not in and of itself establish the validity of the cause of delay or of the extension of time to remedy the delay. A written change order signed by both parties is required to extend the Substantial Completion date. When referenced in this Agreement, working days are defined as Monday through Friday, and exclude weekends and holidays.
- (b) In the event a court of competent jurisdiction shall determine that this provision is inapplicable or unenforceable for any reason, then Contractor's sole right and remedy shall be the amount received by Owner from the party causing the delay on behalf of the Contractor for each day it is actually delayed by any act or neglect of Owner, or by any agent or contractor employed by Owner, or by changes ordered in the scope of the Work, or by fire, adverse weather conditions not reasonably anticipated, or any other causes beyond the control of Contractor. Contractor waives any claim for consequential damages against Owner arising out of or related to the Project and/or this Agreement, including but not limited to loss or use, income, profit, financing, bonding capacity, and/or office overhead.
- (c) Contractor shall maintain a rain gauge onsite and shall provide to Owner's Authorized Representative, on a weekly basis, a report of daily rain in inches and any days of work progress lost due to rain. Extension to the contract time for rain may only be granted to Contractor if the work being completed at that time was on the critical path of the Schedule and in excess of rain days allowed for in the Schedule and less than four (4) hours of work were completed on such rain day.

5.10 Contractor shall prepare and submit to Owner's Authorized Representative, on a weekly basis, site work progress maps that show weekly updates in the work completed on the Project plans and any modifications to the Schedule based on progress to date.

5.11 Should Contractor fail to perform any of its obligations as provided in this Section 5, then Owner shall have the right to subtract the amounts (the "**Liquidated Damage Amount(s)**") specified in this Section 5 from all sums due to Contractor (whether or not such sums are related to this Project or Agreement) and retain such Liquidated Damage Amounts as liquidated damages under this Agreement. The parties hereto acknowledge and agree that the damages resulting to Owner as a result of the default by Contractor under this Section 5 shall not be subject to specific ascertainment and therefore the provision herein for liquidated damages is incorporated as a benefit to both parties. This provision for liquidated damages is a bona fide damage provision and is not a penalty. The following additional Liquidated Damage Amounts shall also apply to the following events:

- (a) Should Contractor not show up for Work, the Liquidated Damage Amount shall be \$1,000.00 per day.
- (b) Should Contractor fail to perform as outlined in this Section 5, the Liquidated Damage Amount shall be \$1,000.00 per day.

The Liquidated Damage Amounts apply only to a breach by Contractor of this Section 5 and shall not limit any other damage remedies provided in the Agreement, except with respect to this Section.

6. Receipt and Protection of Materials; Protection of Work.

- 6.1** If requested or provided, Contractor and Owner shall sign-off on detailed take-offs provided by Contractor and/or Owner. Once Contractor has signed-off on a take-off, Contractor shall be solely responsible to meet the expectations provided for in the applicable take-off, and no adjustments in the take-off and/or changes to prices charged by Contractor hereunder shall be permitted without Owner's prior express written consent. Contractor shall not over utilize or waste Materials or exceed specifications pursuant to the take-off. In the event of over utilization or waste, Contractor shall be responsible to obtain or procure Materials at Contractor's own expense to complete the Project.
- 6.2** All Materials placed onsite, delivered to and accepted by Contractor, and/or transported by Contractor to and from the jobsite, shall be at the sole risk and responsibility of Contractor. It shall be the duty and responsibility of Contractor to accept or reject all such Materials. Failure of Materials to conform to the Specifications shall be cause for rejection, and Contractor shall not install or use any damaged Materials.
- 6.3** Contractor shall keep, store and maintain all Materials in good order. Contractor shall take commercially reasonable efforts to protect all Materials from damage, theft and/or loss and to protect the Work to be performed by Contractor, and shall at all times be solely responsible for the good condition thereof until final completion of the Work.
- 6.4** Contractor assumes all responsibility and expense for Contractor's Materials and/or tools lost, damaged or stolen at the Project jobsite. Contractor shall protect all property adjacent to that upon which it is performing Work and the property, work and materials of other Contractors and sub-contractors from injury arising out of Contractor's Work. In no event, shall Owner be responsible for loss or damage to the Work or Materials belonging to, supplied to, or under the control of Contractor (except as a direct result of the intentional acts of Owner), and Contractor shall indemnify and hold Owner harmless from any such claims. Contractor acknowledges and agrees that Owner owes no duty to protect Contractor's Work, Materials or tools, and if Owner uses the services of any security service that such services are for Owner's exclusive benefit and that Contractor shall not rely upon such services.
- 6.5** Without limiting the generality of the foregoing, Contractor shall take all precautions and actions that may be appropriate, whether or not requested by Owner, to protect Materials and/or Work during a predicted natural disaster, e.g., tornado, hurricane, severe thunderstorm.
- 6.6** Contractor shall be responsible for any defect in the Work or damages, theft or loss of Materials caused by or resulting from its failure to adequately and properly protect such Work or Materials. Contractor shall be fully liable and responsible to Owner for all Costs associated with any damage, loss, theft and/or vandalism resulting from Contractor's failure to fully comply with the terms of this Section.

7. Quality, Inspection and Correction of Work.

- 7.1** Contractor is solely responsible for the finished quality of its Work. Contractor shall make efficient use of all labor and Materials for the Project, and shall perform the Work in a good and workmanlike manner, free of defects, in compliance with the Agreement, Applicable Laws, and all manufacturers' recommendations, installation guidelines and specifications, and to the satisfaction of Owner. Without limiting the generality of the foregoing, all Work to be performed by Contractor shall meet or exceed the highest standards of the industry for the type of Work being performed in the same geographic area.
- 7.2** Contractor shall thoroughly inspect all of its Work and Materials for quality and completion. Contractor shall schedule all inspections relative to its Work and shall perform any tests necessary, if required, to receive inspection approval. Contractor shall pay all re-inspection fees. In addition, Owner may from time to time hire third party inspectors, and Contractor shall cooperate with such inspectors and make corrective Work they require, at no additional cost to Owner.

- 7.3** Contractor shall promptly correct all Work which Owner, in its sole discretion, deems to be deficient or defective, or as failing to conform to this Agreement and Contractor shall bear all costs of correcting such rejected Work without any increase in the Work Price. Owner may nullify any previous approval of Work if it subsequently determines that the Work is defective or non-compliant. In addition, Contractor shall, within 1 business day after receiving notice from Owner, take down all portions of the Work and remove same which Owner rejects as unsound or improper, and Contractor shall make repair or replace all Work and/or Materials rejected, at Contractor's sole expense.
- 7.4** Should Owner exercise any of its options, remedies or rights granted it pursuant to the terms of this Agreement, in the event of any material failure of performance or breach by Contractor, Owner at its sole election may, but shall not be obligated so to do: (a) use any Materials, supplies, tools or equipment on the jobsite that belong to Contractor to complete the Work required to be completed by Contractor, whether such Work is completed by Owner or by others, and Contractor agrees that it shall not remove such Materials, supplies, tools and equipment from the jobsite unless directed in writing by Owner to do so; (b) eject Contractor from the jobsite; and/or (c) enforce any or all of the agreements that Contractor has with Contractor's Agents, true and complete copies of which (including all modifications and change orders) shall be provided immediately upon Owner's request. In exercising its rights under this Section 7.4(c), Owner shall only be acting as the authorized agent of Contractor and Owner shall not incur any independent obligation in connection therewith.
- 8. Labor Matters.**
- 8.1** In the performance of the Work, Contractor shall only employ qualified persons to perform Work on the Project, shall not employ any person, who is disorderly, unreliable or otherwise unsatisfactory, and shall immediately remove or replace any such person upon notice from Owner. In connection with performance of the Work, Contractor agrees not to discriminate against any employee or applicant for employment because of race, color, sex, age, national origin, disability and/or any other protected class or status.
- 8.2** Contractor shall maintain labor harmony on the Project jobsite, and shall not employ any persons, means, Materials or equipment which may cause strikes, work stoppages or any disturbances of Contractor's Agents, Owner and/or any other contractor or sub-contractor on the Project. Contractor shall perform Work with labor that is compatible with that of other contractors performing work at the Project jobsite, and Contractor shall exercise all due diligence to overcome any strike or other labor dispute or action. Any strike or other labor difficulties shall not be considered a "Force Majeure Event" for the purposes of this Agreement, if such labor difficulties are caused by the action or inaction of Contractor.
- 8.3** Contractor is solely responsible for the verification of each of its employee's and Contractor's Agent's eligibility to work legally in the United States. Contractor represents and warrants that: (a) Contractor's employees and Contractor's Agents shall all be eligible to work legally in the United States, (b) Contractor will timely obtain, review and retain all documentation required by Applicable Law(s) to ensure that each of its employees and each of Contractor's Agents is eligible to work legally in the United States; (c) Contractor shall comply with all Applicable Laws and other governmentally required procedures and requirements with respect to work eligibility, including all verifications and affirmation requirements; and (d) Contractor shall not knowingly or negligently hire, use, or permit to be hired or used, any person not eligible to work legally in the United States in the performance of Contractor's Work.

9. General Environmental Compliance

- 9.1** Contractor and Contractor's Agents shall fully comply with all applicable federal, state and local environmental and natural resource laws, rules and regulations. Contractor shall solely be responsible for and shall defend, protect, indemnify and hold Owner harmless from and against any and all claims, losses, costs, penalties, attorney and consultant fees and costs, and damages, including, without limitation, consequential damages, arising from or related to Contractor's or Contractor's Agents' failure to comply with any federal, state and local environmental and natural resource laws, rules and regulations, including ordinances and policies.
- 9.2** Contractor is solely responsible for the proper use, storage and handling of all Materials, including but not limited to potential pollutants, used in Contractor's and Contractor's Agents' Work, and for the generation, handling and disposal of all wastes resulting from Contractor's and Contractor's Agents' Work, in full compliance with all applicable federal, state and local laws, rules and regulations. In addition, Contractor shall immediately notify Owner if Contractor or Contractor's Agents generate more than 100 kilograms of hazardous waste in any one month onsite.
- 9.3** Contractor and Contractor's Agents must not cause any unpermitted impacts to wetlands, waters or designated protected areas, whether on or off the jobsite.
- 9.4** Contractor and Contractor's Agents must minimize any vehicle or equipment fueling, washing, maintenance or repair on the jobsite and such activities should not result in run-off or releases onto the ground or off the jobsite or into a storm water management or conveyance system.
- 9.5** Contractor will take immediate steps, at Contractor's sole expense, to remediate in full compliance with and to the full extent required by Applicable Laws, rules and regulations, any release or discharge by Contractor of any hazardous or other regulated substance, whether on or off the jobsite while acting on behalf of or within the scope of its Work for Owner.
- 9.6** In the event that Contractor fails to correct any non-compliance with this Section after written notice from Owner, Owner may, without assuming any liability therefore, correct such non-compliance and charge the Costs of such correction to Contractor, through setoff of any amount which may be due Contractor under this or any other agreement, or otherwise, including, but not limited to repair and remediation Costs, and penalties and fines for noncompliance. In the event that there is not enough value of the Agreement remaining to allow the Owner to set-off against any sums due Contractor as a result of such non-compliance, then Contractor agrees to fully reimburse Owner the Costs of such correction immediately upon notice by Owner.

10. Storm Water Management.

- 10.1** Contractor shall comply with the Federal Water Pollution Control Act of 1972, as amended, (the "**Clean Water Act**" or "**CWA**"), and all federal, state and local laws, regulations, ordinances, and policies relating to storm water pollution, sedimentation control and erosion control. Owner, if applicable to the Work, in accordance with Paragraph 402(p) of the CWA, which establishes a framework for regulating storm water discharges under the National Pollution Discharge Elimination System ("**NPDES**") Program, has or will develop an erosion, sedimentation and storm water pollution control and prevention plan (a "**SWPPP**") for the Project in order to control erosion and storm water discharges and to prevent certain non-storm water discharges. Contractor and Contractor's Agents shall at all times comply with the NPDES Permit(s) and the SWPPP. Contractor shall solely be responsible for and shall irrevocably defend, protect, indemnify and hold Owner harmless from and against any and all past, present or future claims of any kind or nature, at law or in equity (including, without limitation, claims for personal injury, property damage or environmental remediation or restoration), losses, costs, penalties, obligations, attorney and consultant fees and costs, and damages, including, without limitation, consequential, special, exemplary and punitive damages contingent or otherwise, matured or unmatured, known or unknown, foreseeable or unforeseeable, arising from or in any way related to Contractor's or Contractor's Agents' failure to comply with the Clean Water Act, any federal, state and local laws, rules and regulations, including ordinances and policies,

relating to storm water pollution and erosion and sedimentation control and/or the SWPPP as they may be applicable to the Work. Such failures shall constitute a material breach of this Agreement.

- 10.2** Contractor shall designate a Contractor employee representative with authority from Contractor to oversee, instruct, and direct Contractor's employees and Contractor's Agents regarding compliance with the requirements of the CWA and any federal, state or local laws, regulations or ordinances relating to storm water pollution or erosion control and the requirements of the SWPPP for the Project. Prior to commencing Work at the Project or within a reasonable time after, the designated Contractor representative shall contact Owner's jobsite Project Manager to request information on storm water management at the Project. Contractor and Contractor's Agents shall review prior to commencing Work on the jobsite, and shall abide by at all times, all storm water and jobsite orientation materials and direction provided by Owner to Contractor, and as may be required by the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and the SWPPP, shall file all notifications, plans and forms required by the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and the SWPPP. Contractor is responsible for circulating information provided by Owner regarding storm water management to its employees and Contractor's Agents who will be working on the Project.
- 10.3** Contractor shall require Contractor's Agents to immediately notify Contractor and Owner of any source pollutants that Contractor's Agents intend to use on the jobsite that are not identified in the SWPPP, and shall require that each of Contractor's Agents on the Project immediately notify Contractor and Owner of any corrections or recommended changes to the SWPPP that would reduce or eliminate the discharge of pollutants and/or sediments from the jobsite. Further, neither Contractor nor any of Contractor's Agents shall discharge any prohibited non-storm water discharges to storm water systems or from the jobsite. If requested by Owner, Contractor shall annually or at the completion of the Work, certify that the Work was performed in compliance with the requirements of the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and the SWPPP.
- 10.4** Contractor acknowledges that periodic changes may have to be made to the SWPPP during the progress of the Work, and Contractor shall at all times comply with, and shall require that Contractor's Agents at all times comply with, the most current version of the SWPPP. Contractor and Contractor's Agents shall use best efforts to comply with the SWPPP practices and procedures, including, without limitation, the "best management practices," and Contractor shall implement "best management practices" to control erosion and sedimentation and to prevent the discharge of pollutants including sediments. Contractor shall ensure that all of Contractor's and Contractor's Agent's personnel are appropriately trained in the appropriate "best management practices", and trained to comply with the SWPPP and with all Applicable Laws and regulations.
- 10.5** Contractor shall immediately notify Owner if it observes, discovers and/or becomes aware of (i) any spill of any hazardous or toxic substance or material or other pollutants on the jobsite, (ii) any discharge of any hazardous or toxic substance or material or other pollutants into or on the jobsite which leaves the jobsite or is capable of being washed from the jobsite during a rain event, (iii) any failure by any party to comply with the requirements of the SWPPP, the Clean Water Act, and/or any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and (iv) any damage to or failure of a "best management practice" or any other stormwater or erosion control measure. Contractor shall retain all records relating to the SWPPP, the CWA, and any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and any and all violations of the same for a period of 5 years following completion of the Project, or longer as required by Applicable Law.
- 10.6** Notwithstanding anything to the contrary contained herein, Owner shall have the right, but not the obligation, to immediately remedy any violation of the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion and sedimentation control, and/or the SWPPP for which Contractor is responsible, without the necessity of providing Contractor with any notice or right to cure. Should Owner remedy any such violation, Owner shall have the right to back-charge Contractor for the Costs to remedy the violation. Conversely, Owner shall have the right, in Owner's sole

and absolute discretion, to require Contractor to reimburse Owner for the Costs incurred by Owner to remedy such violation and/or for fines or penalties paid for such violation, and unless Contractor reimburses Owner for such Costs within 10 days after receiving Owner's written request for payment of the same, Contractor will be in default of this Agreement, and Owner shall have all rights and remedies available to Owner as a result of a Contractor default. Nothing in this Section 10.6 shall limit or modify in any way Contractor's obligations or Owner's rights under Section 10.1.

11. No Lien Rights

11.1 Contractor agrees that the Owner is a local unit of special purpose government and is not an "Owner" as defined in Section 713.01(23), Florida Statutes. Therefore, as against the Owner, any part of the Work or the Owner's property on which the Work is performed, there are no lien rights available to any person providing materials or services for improvements in connection with the Project. Contractor shall not permit any laborer's, materialmen's, mechanic's or other similar liens to be filed or otherwise imposed on any part of the Work or the property on which the Work is performed.

11.2 [intentionally deleted]

11.3 [intentionally deleted]

11.4 If Contractor fails to pay and discharge when due, any bills or obligations of any kind or nature whatsoever incurred by Contractor by reason or in the fulfillment of this Agreement which bills or obligations in the opinion of Owner are proper, Owner, at Owner's option but without being obligated to do so, may pay all or any part of such bills or obligations, for Contractor's account and/or Owner may, at its sole discretion, issue payment jointly to Contractor and the applicable third party. Any direct or joint payment is solely at the discretion of Owner and shall be deemed as a payment towards the obligations of this Agreement. **Contractor hereby expressly waives and releases any claim and/or right of redress or recovery against Owner by reason of any act or omission of Owner in paying such bills or obligations, and nothing herein shall be deemed to mean Owner assumes any liability towards Contractor's suppliers, laborers or material suppliers.**

11.5 [intentionally deleted]

11.6 Contractor intends to furnish Work and/or Materials in the construction, repair and/or replacement of improvements upon real property owned by Owner.

(a) Contractor represents and warrants that it has not assigned and will not assign any claim for payment or any right to perfect a Lien against said Work, real property, or the improvements thereon, to any third person, including without limitation any lender or factoring company. Contractor agrees that any such attempted assignment shall be invalid and not enforceable. Such attempted assignment shall be deemed a material default of Contractor's obligations under this Agreement. Contractor shall include substantially identical language to this Section in all subcontracts for Work and/or Materials.

(b) [intentionally deleted]

12. Warranties; Warranty Work and Performance Standards.

12.1 Contractor warrants and guarantees that: (a) all Materials incorporated into the Project, except Materials provided by Owner, shall meet or exceed the requirements of all Applicable Laws and shall be new, of good quality and free of Liens, security interest, claims or encumbrances; and (b) all other Materials, except Materials provided by Owner, used by Contractor in the performance of any Work, and all Work, shall meet or exceed the requirements of all Applicable Laws.

- 12.2 Contractor warrants that the Work and all Materials, except Materials provided by Owner, incorporated into the Project shall be and remain free from defects or flaws from the date of Owner's acceptance of the Work through (a) 12 months after governmental acceptance of the Work or (b) such greater period as required by all applicable local, state and federal ordinances, law, rules and regulations (the longer of (a) and (b), the "**Warranty Period**"). In addition, upon Owner's acceptance of the Work, Contractor shall deliver and transfer to Owner any and all Materials manufacturer's warranties. The warranties and guarantees contained herein shall in all cases survive termination of this Agreement and shall apply to both patent and latent defects in workmanship and materials.
- 12.3 If during the applicable Warranty Period, the Work and/or Materials, except Materials provided by Owner, do not comply with the warranties set forth in this Section and/or elsewhere in the Agreement, then Contractor shall promptly repair the Work or replace such Materials, at Contractor's sole cost and expense for all associated Materials and labor, within 48 hours after notice to do so, or within 3 hours after notice in the event of any emergency. Owner, in its sole and absolute discretion, shall determine whether an emergency exists, which generally includes, but is not necessarily limited to, those conditions involving the risk of harm to persons or property. Repairs and replacements shall be made in a diligent first-class manner with as little inconvenience as possible to Owner. Contractor shall clean up thoroughly after repairs are completed. Neither repairs nor replacements shall be deemed to be complete until the defect or nonconformity has been permanently corrected. Contractor shall reimburse Owner for any damages and/or for any reasonable Costs incurred as a result of the inconvenience or loss of use which is caused by the defect, non-conformity or the repairs and/or replacements. In the event Contractor fails or refuses to timely fulfill any of its warranty obligations, Owner, may repair or replace the applicable Work or Materials and Contractor shall reimburse and pay Owner, for all Costs related thereto, on demand.
- 12.4 If the Work and/or Materials, except Materials provided by Owner, are determined by Owner to be defective or otherwise non-conforming after the expiration of the Warranty Period but before the expiration of the applicable statutory limitation period and/or statutory repose period, Owner, in its sole and absolute discretion, shall have the right to request that Contractor repair and replace any Work and Materials furnished by Contractor pursuant to this Agreement. Contractor shall use commercially reasonable efforts to promptly perform such repair and replacement at Contractor's sole cost and expense for all associated Materials and labor. If Contractor performs any such repair and/or replacement after the expiration of the Warranty Period and after the expiration of the applicable statutory limitation period and statutory repose period, Owner shall compensate Contractor for such repair and/or replacement activities at the then current reasonable market rates. The provisions of this Section shall survive expiration or termination of this Agreement and/or completion of the Work of Contractor.
13. **Notice and Opportunity to Repair Statutes.** Contractor agrees to cooperate with Owner in connection with any matters relating to any applicable notice and opportunity to repair statutes. If Contractor fails or refuses to cooperate in that process, Owner will have the right to correct any defective Work, and Contractor shall, upon demand, immediately reimburse Owner for all Costs incurred responding to and/or correcting any such defective Work.
14. **Relationship Management.**
- 14.1 Each party shall designate an individual to serve as its "**Authorized Representative**" under this Agreement, which initially shall be those individuals identified on the first page of this Agreement. Each party's Authorized Representative shall serve as the principal point of accountability for coordinating and managing that party's obligations. Either party may assign a replacement individual to serve as an Authorized Representative from time to time, provided that the party assigning a replacement gives 30 days advance notice (or as much advance notice as is possible under the circumstances, if less than 30 days) of the replacement individual.
- 14.2 Each party shall reasonably cooperate with the other party in connection with its obligations under this Agreement. Such cooperation shall include informing the other party of all management decisions that the party reasonably expects to have a material effect on the obligations required to be performed by that party under this Agreement.

- 14.3 Contractor shall maintain electronic communications with Owner via e-mail.
- 14.4 Contractor shall provide Owner with all reports, documentation and information as Owner reasonably requests to verify the performance of Contractor's obligations under this Agreement, including, without limitation, full reports of the progress of Work in such detail as may be required by Owner including any shop drawings, as-built drawings and/or diagrams in the course of preparation, process, fabrication, manufacture, installation or treatment of the Work and/or Materials.
- 14.5 Contractor represents and warrants that it: (a) shall perform its obligations and deal with Owner in good faith and with fair dealing; (b) shall conduct its business in a manner that reflects favorably on Owner; (c) shall not engage in any deceptive, misleading, illegal or unethical business practices; (d) has not and shall not, directly or indirectly, request, induce, solicit, give and/or accept any bribe, kickback, illegal payment and/or excessive gifts or favors to or from Owner or any Owner employee, and/or any third party acting on Owner's behalf; and/or (e) has not engaged in and shall not engage in any anticompetitive behavior, price fixing and/or any other unlawful restraints of trade. Contractor shall immediately provide written notice to Owner of any of the foregoing upon Contractor's becoming aware of the same.
- 14.6 To the extent permissible under Applicable Law or agreement, Contractor shall notify Owner in writing promptly of: (a) any litigation, mediation and/or arbitration brought against Contractor related to Work performed and/or Materials supplied by Contractor under any purchase order; (b) any actions taken or investigations initiated by any governmental agency in connection with the Work performed and/or Materials supplied by Contractor under any purchase order; (c) any legal actions initiated against Contractor by governmental agencies or individuals regarding any illegal activities, including, but not limited to, fraud, abuse, false claims and/or kickbacks; (d) any proceedings by or against Contractor in bankruptcy, insolvency of Contractor, any proceedings for appointment of a receiver or trustee or an assignment for the benefit of creditors or any other similar event. Upon Owner's request, and to the extent permissible under Applicable Law or agreement, Contractor shall provide to Owner all known details of the nature, circumstances, and disposition of any of the foregoing.
15. **Goals, Continuous Improvement and Quality.**
- 15.1 Contractor acknowledges that Owner's long term goals may include: (a) shortening build-times for the Project; (b) increasing flexibility; (c) achieving ongoing cost reductions; and (d) achieving specific quality goals and continuous quality improvement. Contractor agrees to cooperate with Owner in working toward achieving these goals, which includes, without limitation, the obligations set forth in this Section.
- 15.2 Contractor understands that Owner's selection of Contractor as a provider of Work is based in part on Owner's belief that Contractor is committed to continuing to improve its performance of Work and to find cost savings over the term of this Agreement. Savings may relate to development and implementation of manufacturing efficiencies, feature improvements, component purchase price reductions, engineering breakthroughs and/or delivery and distribution enhancements that result in lower cost of Work and/or operating expenses for Contractor and/or Owner. To this end, Contractor shall use commercially reasonable efforts to continuously improve the performance and quality of Work, to assist Owner in achieving costs savings associated with Work, and to reduce Contractor's costs of performing Work, through increases in efficiency and otherwise.
- 15.3 If Contractor fails to perform Work properly, as determined by Owner in its sole and absolute discretion, Contractor shall promptly put into place a written corrective action plan, reasonably acceptable to Owner, designed to ensure that Contractor will perform Work properly going forward.
16. **Prices and Payment.**
- 16.1 Contractor will perform the Work for a lump sum amount of ONE HUNDRED NINETY NINE THOUSAND SIX HUNDRED EIGHTY AND NO/100 DOLLARS (\$199,680.00). **THIS IS A LUMP SUM CONTRACT.** The Work Prices, Materials prices and/or other billing amounts shall not exceed the

prices agreed to between the parties, without the prior written consent of Owner. In addition, if Owner has an agreement for direct pricing with a manufacturer and/or supplier of Materials, prices for such Materials shall be passed through to Owner at Contractor's cost (i.e., without mark-up) and shall in no event exceed any prices agreed to between Owner and the applicable Material manufacturer and/or supplier. Contractor agrees that any price reduction applicable to the ordered Work and/or Materials subsequent to the Agreement date, but prior to delivery, shall be applicable to the Agreement.

16.2 Owner shall designate the methodology for payment to Contractor.

- (a) If Contractor is instructed to submit invoices to Owner, then Contractor will remit invoices, and Owner will pay such invoices in a manner consistent with the Local Government Prompt Payment Act, Sections 218.70 through 218.80 of the Florida Statutes. An invoice date shall be no earlier than the date the Work, or applicable portion thereof, is completed. All invoices must be submitted by Contractor within 30 days of its completion of the Work, or applicable portion thereof. Invoices received after 90 days of the completion of the Work, or applicable portion thereof, shall be null and void. Owner shall not be liable for any charges associated with the Work and/or Materials represented by such delinquent invoices, and Contractor hereby expressly waives its right to receive any payment in connection, any such delinquent invoices. Contractor shall make payments due to subcontractors and materialmen and laborers within ten (10) days in accordance with the prompt payment provisions contained in Sections 218.735(6), 218.735(7), and 218.74, Florida Statutes. All payments due and not made within the time prescribed by Section 218.735, Florida Statutes, shall bear interest at the rate of 1% per month on the unpaid balance in accordance with Section 218.735(9), Florida Statutes.
- (b) Contractor agrees to notify Owner within 5 business days if Contractor has not received payment in full within 30 days of payment becoming due under Section (a) above.
- (c) In accordance with Section 218.735(8), Florida Statutes, ten percent (10%) shall be retained from each payment made to the Contractor until the Work is fifty percent (50%) complete; after the Work is fifty percent (50%) complete, five percent (5%) shall be retained from each payment. Owner also shall be permitted to retain amounts permitted or required to be retained under applicable law. All of the sums retained shall be paid in full within twenty-five (25) days after final completion of the Work.

16.3 As a condition to any payment to be made by Owner to Contractor, Owner may, at its option, require Contractor to furnish to Owner: (a) full and complete Lien waivers, in a form acceptable to Owner, executed by Contractor and all Contractor's Agents utilized by Contractor in performing the applicable Work and/or supplying Materials in connection with the applicable Work, as well as any other information and documentation requested by Owner with respect to Work and/or Materials covered by the applicable invoice; and (b) a current sworn statement from Contractor attesting to all Contractor's Agents, the amount of each subcontract and/or contract with Contractor's Agents, the amount requested for any Contractor's Agent in the invoice, the amount the Contractor has paid to each Contractor's Agent, and the amount to be paid the Contractor under the invoice. Invoices/Pay Applications will not be deemed complete until all required documentation has been submitted.

16.4 No payment made under this Agreement shall be conclusive evidence of the performance of this Agreement, either in whole or in part, and no payment shall be construed as acceptance of defective Work.

16.5 Contractor agrees that amounts owed under any portion of this Agreement are subject to offsets by Owner in the event of: (a) Contractor's breach(es) of this Agreement; (b) any damages caused by Contractor; (c) any Liens or other claims arising out of the Work and/or Materials; (d) any Costs or anticipated Costs of curing defective Work and/or Materials and/or any other amounts expended by Owner in connection therewith; (e) Contractor's breaches of other agreements between Contractor and Owner and/or its Affiliates; (f) any Liquidated Damage Amounts due from Contractor; and/or (g) claims or amounts due to Owner and/or its Affiliates, regardless of whether arising out of this Agreement or otherwise. Contractor further agrees that should Owner have reason to terminate this Agreement as a result of Contractor's failure

to comply with the terms and conditions of this Agreement then Owner and/or its Affiliates shall have the right, in their sole discretion, to terminate any other agreements between Contractor and Owner and/or its Affiliates.

- 16.6** In the event Contractor breaches this Agreement, Owner shall have the right to stop all payments to Contractor until such time as Owner can accurately ascertain its damages and Costs resulting from the breach, at which time Owner is authorized to deduct all Costs related thereto from any monies owed Contractor under this Agreement and/or other agreements with Owner.
- 16.7** Contractor shall not delay and/or stop any Work by reason of Owner' failure to make any payments if the failure is a result of a dispute as to the amount of the payment or whether payment is due.
- 16.8** Notwithstanding anything herein to the contrary, Contractor shall not make any adjustments to the prices set forth in the Agreement without providing Owner a minimum 60 days' prior written notice. Further, Contractor acknowledges and agrees that any such increases, if accepted by Owner, shall not be effective until the 60-day time period has expired and any such increases shall be applicable only to new, fully agreed upon change orders issued after such increases become effective.
- 16.9** If, during the term of this Agreement, Contractor offers Work to any developer at prices and/or on terms more favorable than offered to Owner, then Contractor shall immediately offer those same prices and/or terms to Owner. It shall not be incumbent on Owner to discover the same. In addition, any Work Price decreases agreed to between the parties shall apply to all Work on or after the effective date of the decrease.
- 16.10** Acceptance by Contractor of any payment shall be a complete and final release of any and all claims the Contractor has or may have related to, concerning or arising out of this Agreement up to and through the time period of work included in the invoice, including but not limited to extra work, delays and change orders except only those claims that are specifically identified in writing and attached to the invoice.
- 16.11** Owner may order or propose changes in the Work consisting of additions, deletions or other revisions with the Agreement amount and time being adjusted accordingly. All such changes in the Work shall be by a written change order or written modification of the Contract signed by all parties. Owner may, by a written directive issued and signed by Owner's authorized representative, direct Contractor to proceed with changes in the Work, prior to the issuance of a change order. Upon receipt of a written directive from Owner, Contractor shall proceed with the Work.
- 16.12** Contractor shall submit to the Owner a written detailed estimate of the cost of performing the ordered or proposed changes to the Work to include quantities, unit prices, labor rates, manufacturer's and supplier's quotations and all other information required by Owner for a complete analysis of the estimate. If the proposed change affects the length of time Contractor requires to complete its Work, Contractor shall set forth, in writing, the amount of any justifiable time increase in its proposal. Contractor's proposal shall be submitted to Owner within 10 working days of its receipt of the request from Owner.
- 16.13** Any and all claims for time or money must be presented to Owner, in writing, within 5 working days after the occurrence of the event giving rise to such claim. Failure by Contractor to present such claim in writing within 5 working days after the occurrence shall be deemed a waiver of such claim and the Contractor shall be barred from pursuing such claim against Owner.
- 16.14** Contractor shall forward all documents requested by Owner regarding any claim, including but not limited to job cost reports, daily reports, foreman daily reports and diaries, Contractor's complete estimate, invoices, subcontracts, purchase orders, equipment documents (list of company owned, rented or other equipment used), rental charges, job costing of company owned equipment and general ledger.
- 16.15** No dispute as to adjustment of the Agreement amount or time for changed Work, shall excuse Contractor from proceeding with such changed Work that has been duly authorized by Owner.

16.16 Contractor waives any claims for consequential damages, including but not limited to, claims for principal office expenses including compensation of personnel stationed there, for loss of financing, business and reputation, lost profits and loss of bonding capacity.

17. Inspections and Reviews. Owner and its agents shall have the right to inspect all Contractor Materials, facilities, Project jobsites and surrounding areas, to confirm Contractor's compliance with the requirements of this Agreement, as well as background OSHA and Experience Modification Factor checks. No inspection or failure to inspect by or on behalf of Owner will increase Owner's obligations or liabilities nor limit Owner's rights or Contractor's obligations.

18. Indemnification.

To the maximum extent permitted by law, Contractor, on behalf of itself and its employees, officers, representatives, materialmen, laborers, contractors, sub-contractors, and any other parties acting at the direction of Contractor (collectively, "**Contractor Entities**") hereby agrees to save, indemnify, defend and hold harmless (such action, the "**Indemnity**") Owner and its supervisors, consultants, agents, staff, and employees; and VK Avalon Groves, LLC ("**Developer**") and its parents, Affiliates, subsidiaries, officers, directors, managers, agents, contractors, materialmen, laborers, representatives, employees, successors and assigns (collectively, the "**Indemnitees**"), from and against any and all liability, costs and damages of any kind whatsoever (including without limitation loss of profits, consequential damages, and/or punitive damages) sustained by the Indemnitees as a result of the activity or inactivity (the "**Covered Activity**") of Contractor Entities, including without limitation activity or inactivity arising out of or incidental to the performance of this Agreement or work performed thereunder, but only to the extent caused in whole or in part by any act, omission, or default of Contractor, or any of Contractor's subcontractors, sub-subcontractors, materialmen, or agents of any tier or their respective employees. This section 18 shall also pertain to any claims brought against Indemnitees by any other employees of the named Contractor, any subcontractor, or anyone directly or indirectly employed by any of them. The parties hereto acknowledge that the Indemnity is intended to be as broad as permissible under Applicable Law or regulation. Contractor shall defend all suits brought against the Indemnitees, at its expense, regardless of the cause of such suits and regardless of any negligence (except gross negligence) on the part of the Indemnitees. Contractor shall reimburse upon demand Indemnitees for any expense sustained in connection with actions brought as a result of the Covered Activity. By way of illustration but not limitation, should the Indemnitees become liable in connection with being deemed the statutory employer of an individual acting under Contractor's direction, then Contractor shall indemnify, defend, and hold harmless the Indemnitees from any damages sustained in connection with being deemed the statutory employer. This indemnity obligation includes, without limitation, expenses (including reasonable attorney's fees) claims, judgments, suits, or demands for damages to persons or property arising out of, resulting from or relating to Contractor's performance of the Work under this Agreement or Contractor's breach of this Agreement ("**Claims**") unless such Claims have been specifically determined by the trier of fact to be solely the result of the gross negligence or intentional acts of Owner. Contractor's duty to indemnify Indemnitees shall arise at the time written notice of a Claim is first provided to Indemnitees regardless of whether claimant has filed suit on the Claim. In situations where it is determined by the trier of fact that Indemnitees are partially at fault for a Claim due to Indemnitees' gross negligence or intentional misconduct, Contractor's obligation to fully indemnify Indemnitees shall be limited to a maximum liability of \$2,000,000. Contractor's indemnification obligation shall include, but not be limited to, any Claim made against Indemnitees by a Contractor's Agent who has been injured on property owned by Indemnitees. This provision shall be deemed to be a part of the Project specifications. Nothing in this Agreement shall be construed to require Contractor to defend or indemnify Owner for any Claims resulting solely from Owner's gross negligence or intentional acts.

18.1 Contractor will defend Claims that may be brought or threatened against Indemnitees and will pay on behalf of Indemnitees any expenses incurred by reason of such Claims including, but not limited to, court costs, expert costs and reasonable attorney fees incurred in defending or investigating such Claims. Such payment on behalf of Indemnitees shall be in addition to any and all other legal remedies available to Indemnitees and shall not be considered Indemnitees' exclusive remedy.

18.2 In the event Indemnitees are required to mediate, arbitrate, or litigate a Claim (which may or may not be with a homeowner) arising out of or relating to the Work performed under this Agreement, Indemnitees may, in its sole discretion, require Contractor to participate in such mediation, arbitration, and/or litigation. If the Claim is resolved through arbitration, any judgment rendered by the arbitrator(s) may be confirmed, entered and enforced in any court having jurisdiction and the Contractor shall be bound by that decision.

18.3 The provisions of this Section 18 shall survive expiration or termination of this Agreement and/or completion of the Work of Contractor and shall continue until such time it is determined by final judgment that the Claim against Indemnitees is fully and finally barred by the statute of limitations. Contractor's indemnification and defense obligations shall not be limited by the amounts or types of insurance that Contractor is required to carry under this Agreement or that Contractor does in fact carry.

In the event that such court of competent jurisdiction finds that any state statutory indemnity limits apply to this Agreement with respect to Contractor's indemnification of Owner for liability caused in whole or in part by any act, omission or default by Owner, the parties hereto agree that such limit shall be equal to the limits (exclusive of deductibles) of the applicable insurance required by this Agreement. The parties acknowledge and agree that this monetary limit, if required, bears a commercially reasonable relationship to this Agreement, in so far as, among other factors, the parties have taken into account the availability and cost of insurance and other risk transference devices, the scope of the Work, the risks associated with the Work, and the compensation and any other benefits exchanged between the parties in connection with this Agreement. The parties further agree that this provision is hereby made a part of the Project specifications and bid documents.

In the event that any indemnification, defense or hold harmless provision of this Agreement is determined to be unenforceable, the provision shall be reformed to give the provision the maximum effect allowed by Florida law and for the benefit of the Indemnitees."

19. Insurance. Contractor shall carry, with insurance companies rated A VII or better by A.M. Best Company, the insurance coverage specified in Exhibit G continuously during the life of this Agreement, and thereafter as provided in Exhibit G. Contractor must furnish the Owner with Certificates of Insurance reflecting coverage as described below at least 7 days **before** starting any Work, giving evidence that Contractor is carrying all of the insurance required in Exhibit G.

19.1 Insurance and Indemnity of Contractor's Agent(s).

- (a) If Contractor should subcontract any Work, Contractor shall nevertheless be bound to indemnify Owner as provided in this Agreement on behalf of Contractor's Agent(s). In addition, Contractor shall require that Contractor's Agent(s) also be bound to indemnify Owner as provided in this Agreement. Contractor represents and warrants that Contractor's Agent(s) shall carry insurance as set forth in this Agreement prior to permitting Contractor's Agent(s) to commence its work.
- (b) Contractor shall require in its purchase orders that its suppliers indemnify Contractor and Owner from all losses arising from any materials or supplies included in any Work.
- (c) Contractor shall require the same insurance coverage required of Contractor from any sub-Contractors performing any portion of Contractor's work. Notwithstanding anything to the contrary herein contained, each party hereby waives all claims for recovery from the other party for any loss or damage to its property caused by fire or other insured casualty and agrees that where there is insurance coverage that the insurance coverage shall be the only avenue of recovery. This waiver shall apply, however, only where the insurance covering the loss or damage will not be prejudiced by reason of such waiver.

19.2 Miscellaneous Insurance Provisions.

- (a) Any attempt by the Contractor to cancel or modify insurance coverage required by this Agreement, or any failure by the Contractor to maintain such coverage, shall be a default under

this Agreement and, upon such default, Owner will have the right to immediately terminate this Agreement and/or exercise any of its rights at law or at equity. In addition to any other remedies, Owner may, at its discretion, withhold payment of any sums due under this Agreement until Contractor provides adequate proof of insurance.

- (b) The amounts and types of insurance set forth above are minimums required by Owner and shall not substitute for an independent determination by Contractor of the amounts and types of insurance which Contractor shall determine to be reasonably necessary to protect itself and its Work.
- (c) Owner reserves the right to modify these insurance requirements, and if Contractor continues to perform Work, Contractor agrees to be bound by such modifications **30 days after receipt** of the modified provisions.

19.3 Compliance with this Section.

- (a) Contractor acknowledges that timely compliance with this Section and Exhibit G is essential to Owner's risk management. As such, if Contractor fails to comply with any of its obligations under this Section 19 and Exhibit G, Contractor shall be in default of this Agreement and Owner shall have all rights under this Agreement with respect to Contractor's default. Additionally, Owner shall be entitled to (i) withhold any and all payments due to Contractor until Contractor cures such non-compliance, and (ii) assess a service credit in the amount of \$500.00 for each instance of Contractor's non-compliance. Service credits shall be credited against the Contractor's next invoice payable by Owner hereunder. Notwithstanding the foregoing service credit, Contractor shall be required to protect and indemnify Owner and all Indemnitees (as defined in Section 18 of this Agreement) to the fullest extent provided in this Agreement.

20. [intentionally deleted]

21. Term and Termination.

21.1 This Agreement shall be effective on the Effective Date and continue until terminated in accordance with its terms. In the event that Contractor terminates this Agreement in accordance with the terms set forth herein, Contractor nevertheless shall complete all outstanding Work in accordance with the terms of this Agreement.

21.2 Contractor may terminate this Agreement if Owner commits a material breach of this Agreement, or any Agreement document, and fails to cure such breach within 30 days of its receipt of written notice of the breach from Contractor. However, any dispute over amounts claimed to be owed shall be resolved in accordance with the dispute resolution provisions of this Agreement and shall not serve as a basis for Contractor to place Owner in default hereunder and in such event, Contractor shall continue to perform its Work under the terms of this Agreement.

21.3 Owner shall have the right to terminate this Agreement with or without cause, effective immediately upon notice to Contractor or as otherwise set forth in such notice. A termination "for cause" includes, but is not limited to, circumstances where: (a) Contractor fails to comply with this Agreement; (b) Contractor repudiates any of this Agreement; (c) Owner is insecure and requests assurances of Contractor's ability or willingness to perform and Contractor fails to provide written assurances satisfactory to Owner within the time requested by Owner; (d) in the event of any proceedings by or against Contractor in bankruptcy, insolvency of Contractor, any proceedings for appointment of a receiver or trustee or an assignment for the benefit of creditors or any other similar event; (e) Contractor refuses or neglects to supply a sufficient quantity of Work of proper quality, as determined by Owner; (f) Contractor fails to make prompt payment to Contractor's Agents for Materials or labor; (g) Contractor violates any Applicable Law; (h) causes interference, stoppage, or delay to the Project or any activity necessary to complete the Project; and/or (i) Contractor is listed by the administrative office of an applicable employee benefit trust, including by way

of illustration but not of exclusion, health, welfare, pension, vacation or apprenticeship trust, as being delinquent in the payment to any such trust, regardless of the construction project upon which delinquency occurred.

21.4 Owner's total liability to Contractor upon termination of this Agreement without cause shall be limited to any remaining payment for completed Work, including any retainage, delivered and accepted by Owner. In no event, shall Contractor be entitled to any indirect costs, delay damages, consequential damages, lost profits, overhead, acceleration damages or any other compensation. However, in the event that Owner terminates any this Agreement for cause, Owner may, after giving Contractor notice of default and 3 calendar days within which to cure, have the right to exercise any one or more of the following remedies:

- (a) Owner may immediately take any action Owner may deem necessary to correct such default, including specifically the right to provide labor, overtime labor, materials, equipment and/or other Contractors, and Contractor shall reimburse and pay Owner for all Costs incurred or paid by Owner resulting therefrom, or Owner may deduct the cost of correcting such default plus a markup of 10% for overhead and 10% for profit from any payment due, or that may become due, to the Contractor;
- (b) Owner may terminate this Agreement and the employment of Contractor, without thereby waiving or releasing any rights or remedies against Contractor or its sureties, and take possession of the Contractor's materials, tools, equipment, designs, shop drawings, and work product used in performing its Work, and employ another Contractor or use the employees, equipment, designs, shop drawings and work product of Contractor to finish the remaining Work to be performed hereunder. Owner may deduct the costs of completing the remaining work plus a markup of 10% for overhead and 10% for profit from the unpaid Agreement price, and if the cost of completing the remaining Work exceeds the Agreement amount, Contractor shall pay to Owner such excess costs, including attorney's fees;
- (c) Recover from Contractor all losses, damages, penalties and fines, whether actual or liquidated, direct or consequential (including without limitation any increase in Owner's cost of insurance resulting from Contractor's failure to maintain insurance coverages required hereunder), Owner's additional/extended general conditions costs and all reasonable attorneys' fees suffered or incurred by Owner by reason of or as a result of Contractor's default plus a markup of 10% for overhead and 10% for profit on all costs incurred by Owner to correct such default;
- (d) Require Contractor to utilize, at its own expense, overtime labor (including Saturday and Sunday work) and additional shifts as necessary to overcome the consequences of any delay attributable to Contractor's default; After completion of the Work by the exercise of any one or more of the above remedies and acceptance of the Work by the Owner, Owner shall promptly pay Contractor any undisbursed balance of the Agreement, if any. If the cost of completion of the Work plus a markup of 10% for overhead and 10% for profit, together with any other damages or losses sustained or incurred by Owner, shall exceed the un-disbursed balance of the Agreement, Contractor and its guarantors, surety, or sureties shall pay the difference within 15 days of written demand from Owner.

21.5 Should any termination for cause under this Agreement be deemed invalid, wrongful or improper, such termination for cause shall be deemed a termination without cause as set forth above and Contractor's rights and remedies against Owner shall be limited as set forth above.

21.6 If Contractor neglects to perform the Work in accordance with the Agreement and/or as directed by Owner and fails within 3 calendar days from the date of written notice from Owner to correct such deficiency, Owner may, without declaring Contractor in default and without prejudice to any other remedies the Owner may have, correct such deficiencies. In such case, an appropriate deductive change order shall be issued for all costs incurred by Owner in carrying out such work, including but not limited to attorneys' fees. If the remaining Agreement balance is not sufficient to cover such costs, Contractor shall pay the difference to Owner.

- 21.7 Upon expiration or termination of this Agreement for any reason, Contractor will, at Owner's request, continue to provide Work pursuant to the terms of this Agreement, and provide reasonable transition assistance services to prevent disruption in Owner's business activities, for a period of up to 6 months after the termination date, at Owner's discretion. However, at Owner's request, Contractor will promptly vacate the jobsite(s), remove all Contractor equipment from the jobsite(s), complete all of Contractor's clean-up and other obligations, and otherwise reasonably cooperate with Owner in winding down Contractor's participation in the Project. Should Contractor fail to promptly vacate the jobsite(s), Owner may take possession of the premises and of all materials, tools and equipment thereon, and finish the work by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the work is finished. If the unpaid balance of the contract price shall exceed the expense of finishing the work, including compensation for additional managerial and administrative expenses, such excess shall be paid to the Contractor. If such expense shall exceed such unpaid balance, the Contractor shall pay the difference to the Owner upon demand.
- 21.8 All provisions of this Agreement which by their nature should survive termination of this Agreement shall so survive termination of this Agreement, including, without limitation, those provisions related to warranty, arbitration, indemnification and limitations of liability.
22. **Limitation of Liability and Waiver of Consequential Damages.** In no event, shall Owner be liable to Contractor in connection with this Agreement and/or the Work, regardless of the form of action or theory of recovery, for any: (a) indirect, special, exemplary, consequential, liquidated, incidental or punitive damages, even if Owner has been advised of the possibility of such damages; and/or (b) lost profits, lost revenues, lost business expectancy, business interruption losses and/or benefit of the bargain damages. Nothing in this Agreement shall be deemed as a waiver of the Owner's sovereign immunity or the Owner's limits of liability as set forth in Section 768.28, Florida Statutes, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under such limitations of liability or by operation of law.
23. **Force Majeure.** Subject to the terms of this Agreement, neither Party shall be liable for any failure or delay in performing its obligations hereunder during any period in which such performance is prevented or delayed by any Force Majeure Event.
24. **Independent Contractor Relationship.** The relationship between Owner and Contractor is that of an independent contractor. Nothing in this Agreement shall be construed as creating a relationship between Owner and Contractor of joint venturers, partners, employer-employee, or agent. Neither party has the authority to create any obligations for the other, or to bind the other to any representation or document.
25. **Continued Performance.** Each party shall continue performing its obligations under this Agreement while any dispute submitted to litigation or any other dispute resolution process is being resolved until such obligations are terminated by the expiration or termination of this Agreement or by a final and binding award, order, or judgment to the contrary. Notwithstanding the preceding sentence, however, neither party shall withhold any payments due to the other party under this Agreement during the pendency of any other dispute resolution process, including mediation, unless such payments relate to or are the subject matter of such proceedings, or are otherwise subject to dispute, or withholding of such payment is otherwise permitted by this Agreement.
26. **[intentionally omitted]**
27. **General Terms.**
- 27.1 Contractor hereby consents and agrees to allow Owner (or Project Owner and any of their Affiliates), in their sole discretion and judgment, to set-off any of Owner's (or any of their respective Affiliates') existing or anticipated claims for damages or deficiencies resulting from Contractor's Work on the Project against any funds due, or which may become due to Contractor for Work performed on another project pursuant to another agreement with Owner (or any of their respective Affiliates). No refusal or failure of Owner to exercise its rights hereunder shall constitute the basis of any right or claim against Owner.

- 27.2 Where agreement, approval, acceptance, consent or similar action by either party is required by any provision of this Agreement, such action shall not be unreasonably delayed or withheld unless otherwise expressly permitted.
- 27.3 All warranties provided by Contractor, and all of Owner's rights and remedies set forth in this Agreement, are cumulative and are in addition to all other warranties, rights and remedies provided to Owner by this Agreement, all Purchase Orders, any other document, or at law, in equity or otherwise, including all warranties, rights and remedies under the Uniform Commercial Code.
- 27.4 The parties agree that, except as otherwise specifically provided for in this Agreement: (a) this Agreement is for the benefit of the parties to this Agreement and is not intended to confer any rights or benefits on any third party (including any employee of either party) other than the Indemnitees; and (b) there are no third-party beneficiaries to this Agreement or any specific term of this Agreement, other than the Indemnitees.
- 27.5 This Agreement, all of the Agreement Documents, and any Amendments thereto, contain the entire understanding of the parties with respect to the subject matter addressed herein and supersede, replace and merge all prior understandings, promises, representations and agreements, whether written or oral, relating thereto. Upon execution of this Agreement, and any renewal thereof, the terms of this Agreement shall apply to all then-outstanding Agreements between Owner and Contractor. Both parties contributed to the drafting of this Agreement, and had the advice of counsel, and therefore agree that this Agreement should not be construed in favor of either party. Except as expressly provided herein, the remedies accorded the parties under this Agreement are cumulative and in addition to those provided by law, in equity or elsewhere in this Agreement.
- 27.6 Except as expressly provided herein, this Agreement may not be modified except by a writing signed by both parties. All requests for amendments, modifications and/or changes to the terms and conditions of this Agreement ("Amendments") shall be communicated in writing to an authorized representative of the other party. All approved Amendments shall be formalized by an Amendment document executed by an authorized representative of each party.
- 27.7 Any waiver of a party's right or remedy related to this Agreement must be in writing, signed by that party to be effective. No waiver shall be implied from a failure of either party to exercise a right or remedy. In addition, no waiver of a party's right or remedy shall affect the other provisions of this Agreement.
- 27.8 If any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, such provision shall be enforced to the fullest extent that it is valid and enforceable under Applicable Law. All other provisions of this Agreement shall remain in full force and effect.
- 27.9 Except as otherwise provided herein, all notices must be in writing and sent either by hand delivery; messenger; certified mail, return receipt requested; overnight courier; facsimile; or by e-mail (with a confirming copy) and shall be effective when received by such party (as documented by a delivery receipt, confirmed facsimile transmission, or return e-mail acknowledging receipt) at the address listed above or other address provided in writing.
- 27.10 **Neither party may assign this Agreement**, in whole or in part, without the other party's prior express written consent, which shall not be unreasonably withheld or delayed. Any attempted assignment without such written consent shall be void. Notwithstanding the foregoing, Owner may assign this Agreement without Contractor's consent to Developer or to one or more of its Affiliates, provided that each such Affiliate agrees to be bound by this Agreement. Subject to the provisions of this Section, this Agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns.
- 27.11 **FOR THEIR MUTUAL BENEFIT, OWNER AND CONTRACTOR WAIVE ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS AGREEMENT**

27.12 Choice of Law, Arbitration and Venue

- a) All actions, claims, counterclaims, controversies, or disputes (each, a “**Dispute**”) between Owner and Contractor arising out of or related to this Agreement, the Agreement Documents, or the Work, whether based on contract or tort, shall be decided by binding arbitration with the American Arbitration Association (“**AAA**”) in Lake County, Florida, in accordance with the Construction Industry Rules of the AAA then existing, but subject to the requirements and limitations set forth below. If AAA will not enforce the Agreement Documents as written, it cannot serve as the arbitration organization to resolve the Dispute. If this situation arises, the parties shall agree on a substitute arbitration organization. If the parties are unable to agree, the parties shall mutually petition a court of appropriate jurisdiction in Lake County, Florida, to appoint an arbitration organization that will enforce the Agreement Documents as written.
- b) A single arbitrator will resolve the Dispute. The arbitrator will honor claims of privilege recognized by law and will take reasonable steps to protect all confidential or proprietary information. The arbitrator will make any award in writing but need not provide a statement of reasons unless requested by a party.
- c) The party filing for arbitration shall pay the initiation/filing fees and the arbitrator’s costs and expenses. The parties shall each be responsible for additional costs they incur in the arbitration, including, but not limited to, fees for attorneys or expert witnesses. The prevailing party in the arbitration shall be entitled to recover as part of the final award all reasonable attorneys’ fees and costs, including fees for expert witnesses, incurred in the arbitration. The arbitrator may re-allocate other fees and costs (but not the attorneys’ and expert fees of the parties) among the parties to the proceeding in his or her discretion as the interests of justice dictate.
- d) This Agreement shall be construed according to the laws of the State of Florida. However, all Disputes shall be governed, interpreted and enforced according to the Federal Arbitration Act (9 U.S.C. §§ 1-16), which is designed to encourage use of alternative methods of Dispute resolution that avoid costly and potentially lengthy court proceedings. Interpretation and application of these procedures shall conform to federal court rulings interpreting and applying the Federal Arbitration Act. References to state law shall not be construed as a waiver of any rights of the parties under the Federal Arbitration Act or the right of the parties to have the procedures set forth in this Agreement interpreted and enforced under the Federal Arbitration Act. However, whenever such laws are not in conflict, the arbitrator shall apply the laws of the State of Florida. The arbitrator’s award may be enforced in any court of competent jurisdiction sitting in and for Palm Beach County, Florida. The arbitrator shall have the authority to try and shall try all issues, whether of fact or law, including without limitation, the validity, scope and enforceability of these Dispute resolution provisions, and may issue any remedy or relief that the courts of the State of Florida could issue if presented the same circumstances.
- e) The arbitrator is required to enforce the terms of this Agreement. The arbitrator shall not be authorized to award any punitive damages or any other damages waived or prohibited under the terms of this Agreement.
- f) Prior to any arbitration, mediation and/or litigation arising under this Agreement, the parties shall each appoint a corporate officer (someone other than the project manager responsible for the Project) to meet to negotiate the claim/dispute. Such corporate officer shall have full settlement authority to resolve the claim/dispute. This settlement meeting shall be a condition precedent to the filing of any arbitration and/or litigation.
- g) **THE PARTIES FURTHER AGREE THAT SHOULD ANY LITIGATION ARISE DIRECTLY OR INDIRECTLY UNDER THIS AGREEMENT, INCLUDING IF THE ARBITRATION DECISION MUST BE ENFORCED IN ANY COURT, THE PARTIES HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL, AND THE PARTIES HEREBY STIPULATE THAT ANY SUCH TRIAL SHALL OCCUR WITHOUT A JURY.**
- h) Discovery in any arbitration hereunder shall be limited to the following:
 - i. The production of each side’s hard document project files as they are maintained in the ordinary course of business and any file index related to same with all such documents being produced in Lake County, Florida;
 - ii. The production of each side’s electronic documents provided that the party requesting such electronic documents shall be responsible to pay for all costs associated with such production, including attorneys’ fees incurred in the review for privilege and relevance, third-party consultant fees and any other costs associated with such electronic production. The payment of all such costs is an express condition precedent to either side’s right to any electronic production. These costs associated with obtaining electronic discovery shall not be taxed to the prevailing party as

costs/fees and to the extent this conflicts with any provision in the AAA rules, this provision shall control;

- iii. 3 fact depositions with one being a corporate representative under the Federal Rules of Civil Procedure if so requested with all such depositions to take place in Lake County, Florida;
 - iv. The deposition of any experts that intend to testify at the arbitration hearing;
 - v. 30 days prior to any expert deposition, all experts that will testify at the final hearing shall provide a report containing all of his/her opinions and information/documents/facts relied upon in arriving at such opinions, along with a current resume;
 - vi. The issuance of third party subpoenas for documents. The other side shall be entitled to a copy of all documents provided in response to a third-party subpoena provided that it has to pay for the copy cost but shall be entitled to use a third party to make such copies; and
 - vii. An itemized statement of damages with all supporting documents related to same. No other discovery shall be permitted by the arbitrator unless mutually agreed to by the parties.
- i) This Choice of Law, Arbitration and Venue provision shall survive the termination of this Agreement and/or completion of the Work required hereunder.

28. Intentionally Deleted.

29. Public Records. Contractor understands and agrees that all documents of any kind provided to the District in connection with this Agreement may be considered public records in accordance with Chapter 119, Florida Statutes, and other Florida law. Accordingly, Contractor agrees to comply with all such laws, and cooperate with the District in retaining such records for the applicable time periods established under Florida law, and provision of such records in response to such requests. Contractor shall promptly notify the District in the event that the Contractor receives a request for any such records.

30. Tax Exempt Direct Purchases. The parties agree that the Owner may in its sole discretion elect to undertake a direct purchase of any or all materials incorporated into the work performed according to the Agreement. In such event, the following conditions shall apply:

- a. The Owner represents to Contractor that the District is a governmental entity exempt from Florida sales and use tax, and has provided Contractor with a copy of its Consumer Exemption Certificate.
- b. The Owner may elect to implement a direct purchase arrangement whereby the Owner will directly acquire certain materials (“Direct Purchase Materials”) necessary for the work directly from the suppliers to take advantage of Owner tax exempt status.
- c. Prior to purchasing any materials, the Contractor shall contact the Owner to determine which materials will be treated as Direct Purchase Materials.
- d. The Owner shall issue a Certificate of Entitlement to each supplier of Direct Purchase Materials, and to the Contractor. Each Certificate of Entitlement will be in the format specified by Rule 12A-1.094(4)(c), Florida Administrative Code. Each Certificate of Entitlement shall have attached thereto the corresponding purchase order. Each Certificate of Entitlement shall affirm that (1) the attached purchase order is being issued directly to the vendor supplying the tangible personal property the Contractor will use in the identified public works; (2) the vendor’s invoice will be issued directly to the Owner; (3) payment of the vendor’s invoice will be made directly by the District to the vendor from public funds; (4) the Owner will take title to the tangible personal property from the vendor at the time of purchase or of delivery by the vendor; and (5) the District assumes the risk of damage or loss at the time of purchase or delivery by the vendor. Each Certificate of Entitlement shall acknowledge that if the Department of Revenue determines the purchase is not a tax-exempt purchase by a governmental entity, then the governmental entity will be responsible for any tax, penalties and interest determined to be due.

- e. The Owner shall issue purchase orders directly to suppliers of Direct Purchase Materials. The Owner shall issue a separate Certificate of Entitlement for each purchase order. Such purchase orders shall require that the supplier provide the required shipping and handling insurance and provide for delivery F.O.B. jobsite. Corresponding change orders shall be executed at the time of the direct purchase to reflect the direct purchases made by the Owner and if the original contract contemplated sale of materials and installation by same person, the change order shall reflect sale of materials and installation by different legal entities.
- f. Upon delivery of the Direct Purchase Materials to the jobsite, the Owner shall inspect the materials and invoices to determine that they conform to the purchase order. If the materials conform, the Owner shall accept and take title to the Direct Purchase Materials.
- g. Suppliers shall issue invoices directly to the Owner. The Owner shall process invoices and issue payment directly to the suppliers from public funds.
- h. Upon acceptance of Direct Purchase Materials, the Owner shall assume risk of loss of same until they are incorporated into the project. Contractor shall be responsible for safeguarding all Direct Purchase Materials and for obtaining and managing all warranties and guarantees for all material and products.
- i. The Owner shall maintain builder's risk insurance on the Direct Purchase Materials.

31. Scrutinized Companies Statement. Contractor shall properly execute a sworn statement pursuant to section 287.135(5), Florida Statutes, regarding Scrutinized Companies with Activities in Sudan List or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, and by signing this Addendum represents that Contractor is able to execute such sworn statement. The above-identified Owner shall be deemed a third-party beneficiary of this Agreement with respect to any provision of this Agreement that benefits Project Owner. For the purposes of this Agreement, “Affiliate” means any person or entity that directly or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with Owner or Contractor. As used in this definition “control” (including, with correlative meanings, “controlled by” and “under common control with”) shall mean possession, directly or indirectly, of power to direct or cause the direction of management or policies (whether through ownership of securities or other ownership interest, by contract or otherwise). Owner and Contractor shall collectively be referred to in this Agreement as the “Parties”.

Contractor acknowledges that there is no guarantee of any amount of Work to be awarded under this Agreement but to the extent any Work is agreed to, the terms of this Agreement shall control. The intent of the Parties is to have the contractual terms agreed to in this Agreement so that the Parties can focus solely on the specific business terms of any Work. Contractor agrees to be bound to Owner by the terms of this Agreement and shall assume towards Owner all the obligations and responsibilities, including the responsibility for safety of the Work. Moreover, nothing in this Agreement shall prejudice or impair the rights of Owner. Additionally, Contractor agrees that nothing in any contract between Contractor and any sub-contractor shall prejudice or impair the rights of Owner contained in this Agreement.

2. Agreement Documents.

The provisions of the Agreement Documents shall, to the extent possible, be interpreted consistently, and in a manner as to avoid conflict. In the event of a conflict or inconsistency by and between the Agreement Documents, the greater or more stringent requirement shall apply, but in the event this does not resolve such a dispute, the following order of precedence shall apply: (i) Amendments to this Agreement; (ii) Exhibits to this Agreement; and (iii) the terms of this Agreement. Exhibits to this Agreement consist of: Exhibit A – Plans and Specifications; Exhibit B – Construction Schedule; Exhibit C – Trade Specific Scope of Work; Exhibit D – General Conditions; Exhibit E – Site Safety Rules N/A; Exhibit F – Emergency Action Plan; Exhibit G – Insurance Requirements; Exhibit H – Partial Waiver & Release of Lien; Exhibit I – Final Waiver & Release of Lien; Exhibit J – INTENTIONALLY OMITTED; Exhibit K – Sworn Statement Regarding Scrutinized Companies; Exhibit L – Sworn Statement Regarding Public Entity Crimes; and Exhibit M – Trench Safety Act Compliance Statement.

- 2.2 **THIS AGREEMENT AND THE DOCUMENTS SPECIFICALLY INCORPORATED HEREIN BY REFERENCE REPRESENT THE ENTIRE AGREEMENT BETWEEN OWNER AND CONTRACTOR AND SUPERSEDE PRIOR NEGOTIATIONS, REPRESENTATIONS, AND AGREEMENTS - EITHER WRITTEN OR ORAL. TERMS AND CONDITIONS OF PROPOSALS, QUOTATIONS, DELIVERY TICKETS, INVOICES, WORK ORDERS AND OTHER SIMILAR ITEMS, UNLESS SPECIFICALLY MADE A PART OF THIS AGREEMENT, SHALL NOT BE APPLICABLE. ANY AND ALL TERMS OF ANY CONTRACTOR QUOTATIONS, ACKNOWLEDGEMENTS, INVOICES OR OTHER CONTRACTOR DOCUMENTATION RELATED TO THE PROJECT, INCLUDING BUT NOT LIMITED TO THOSE IDENTIFIED ABOVE, ARE HEREBY CANCELLED AND RENDERED NULL AND VOID TO THE EXTENT OF SUCH CONFLICT AND/OR INCONSISTENCY, AND THIS AGREEMENT WILL CONTROL. THIS AGREEMENT MAY BE AMENDED ONLY BY A WRITTEN MODIFICATION SIGNED BY BOTH PARTIES.**

3. Ordering Process.

- 3.1 During the term of this Agreement, Owner may make available Specifications and related documents and information to Contractor related to the Project, and request from Contractor a bid or proposal for Work for the Project. For the purposes of this Agreement, “Specifications” includes all plans, reports, drawings,

sketches, renderings, specifications, option lists, and other related documents in connection with the Project, including all revisions thereto made throughout the progress of the Project.

- 3.2 If requested, Contractor may submit a bid or proposal to Owner in connection with the Project, in which case Contractor: (a) represents and warrants that it has inspected the Project jobsite, if necessary, has found the Project jobsite available and accessible, and has reviewed the Specifications and related documents and information for the Project in formulating and preparing its bid or proposal; (b) shall (as requested by Owner) identify all suppliers, subcontractors, laborers, material suppliers, engineers, agents, consultants and/or other persons from whom Contractor proposes to purchase and/or to contract for necessary Work, Materials and Labor required by Contractor for the Project and any other entity under the direction of Contractor (collectively, "**Contractor's Agents**"); (c) shall provide any information requested by Owner, including, without limitation, detailed take-offs, Material specifications and literature, quantities, unit costs, labor costs and hours, submittals, shop drawings, insurance costs and other overhead and (d) represents and warrants that it has investigated and confirmed that its proposed Work complies with all applicable local, state and federal ordinances, laws, rules and regulations, including but not limited to building codes, safety laws, all occupational safety and health standards promulgated by the Secretary of Labor under the Occupational Safety and Health Act (collectively, "**Applicable Laws**"), or has brought to the immediate attention of Owner in writing any portion of the Work that does not so comply.
- 3.3 Contractor agrees that all Specifications, including copies thereof, are the property of Owner and are not to be used on other work, except as required for the Work or when permitted by an officer of Owner in writing. Owner shall be deemed the author and owner of the Specifications and shall retain all common law, statutory and other reserved rights, including copyright. All Specifications shall be returned to Owner upon completion of the Work.
- 3.4 During the term of this Agreement, Owner may make available to Contractor: (a) notice to proceed and/or change orders; (b) Specifications, to the extent such Specifications are relevant to the Work; and/or (c) the schedule for the Project, including, but not limited to the Work to be performed by Contractor, that is prepared by Owner and provided to Contractor ("**Construction Schedule**"). A Construction Schedule may be delivered to Contractor, posted at the Project jobsite and/or published from time to time in electronic format. Any other notice by Owner under this Agreement may be written and/or electronic and may be placed in person by mail, fax, e-mail and/or by or through any other media or mode of communication selected by Owner.
- 3.5 **Acceptance of Work.** If Contractor commences performance of the Work, with or without a fully executed Agreement, it will be deemed to have accepted the terms and conditions of this Agreement. If Contractor commences Work without a fully executed Agreement, it shall do so at its own risk and cost.
- 3.6 Items of Work or Materials omitted from Contractor's bid or proposal that are clearly inferable from the Specifications presented by Owner shall be performed by Contractor and shall be deemed to be part of the Work, at no additional cost to Owner. The description of Work to be performed by Contractor shall not be deemed to limit the obligations of Contractor. Contractor shall immediately notify Owner in writing of any discrepancy, error, conflict or omission discovered by Contractor or Contractor's Agents in the Specifications at any time.
- 3.7 Contractor acknowledges and agrees that this is a non-exclusive agreement and that nothing herein constitutes a promise, guarantee, representation or commitment of any minimum or specified number of opportunities or that any Work shall be issued to Contractor hereunder.
4. **Initiation of Work.**
- 4.1 Contractor shall perform all Work described in the Specifications in accordance with this Agreement. Time is of the essence in connection with all of Contractor's obligations under this Agreement.

- 4.2 Contractor represents and warrants that it shall be properly authorized to do business in any jurisdiction where it shall perform Work, and that it shall be properly licensed by all necessary governmental authorities for the Work contemplated by this Agreement. Contractor shall, at its sole cost, obtain all permits required for Contractor to perform Work, other than general building permits, which shall be provided by Owner. It is the responsibility of the Contractor to maintain current copies of all licenses and certificates of competency required by all jurisdictions where Contractor shall perform Work, and to provide to and maintain with Owner current copies of these documents to Owner before commencement of Work, and continually throughout the course of the Project should any of these changes in any manner.
- 4.3 Contractor shall have no authority to commence Work at any location of the Project until Contractor has received written notice to proceed from Owner for the specific location.
- 4.4 Contractor represents and warrants that, prior to commencing Work on the Project initially, or at any subsequent time, it shall have:
- (a) thoroughly inspected the then-current state of the Project jobsite and reviewed the latest version of the Specifications and Construction Schedules for the Project, it being Contractor's responsibility to stay informed regarding all changes in the jobsite, Specifications and Construction Schedules throughout the course of the Project;
 - (b) ascertained the jobsite conditions to be encountered in the performance of the Work, including verifications of all grades, measurements and the locations of all existing utilities;
 - (c) inspected all curbs, landscaping, common areas, walks, drives and streets, and reported any damage to Owner (damage found later may be charged to Contractor);
 - (d) verified that all Work, storage and access areas and surfaces related to or adjoining the Work are satisfactory for the commencement of the Work. The commencement of the Work by Contractor shall be deemed as Contractor's acceptance of the jobsite and all access and storage areas; and
 - (e) notified Owner, in writing, of any discrepancy, error, conflict or omission discovered by Contractor at the jobsite, in regards to the Specifications and/or work of others.
- 4.5 Contractor shall inspect the Project prior to beginning its Work. If any problems, vandalism, damage, differences from the Specifications, and/or irregularities in components, which are unacceptable exist as to pre-existing work, Contractor shall promptly notify Owner so that these items are corrected prior to Contractor beginning its Work. Commencement of any Work to be performed by Contractor constitutes an affirmation by Contractor that, to the best of Contractor's knowledge, the work which preceded Contractor's Work has been completed in a proper and acceptable fashion. In no event, should the Contractor be entitled to claim extra compensation as a result of unacceptable surface and/or areas unless same has been reported in writing prior to commencement of work. Thereafter, if any incorrect work by others preceding performance by Contractor necessitates all or a portion of Contractor's Work to be revised or replaced (as determined by Owner in its sole and absolute discretion), the costs of the same shall be borne by Contractor, and such Work shall be subject to Owner's review and acceptance. In addition, Contractor shall be liable and responsible to Owner if Contractor's Work results in problems, defects and/or delays in the work of other contractors or sub-contractors. The completion of any portion of the Work constitutes a warranty on Contractor's part that such portion of the Work is in accordance with all provisions of the Agreement Documents and all Applicable Laws. To the extent all or any portion of the Work fails to meet the foregoing standard, Contractor shall have 48 hours after learning of (or receiving notice of) such failure to begin curing the failure and any damage caused thereby. To the extent, Contractor fails to begin the cure within such 48-hour period, or thereafter fails to proceed diligently, then Owner may, in addition to any other remedies set forth in the Agreement Documents, complete any and all Work it deems necessary and may set off any amounts spent against amounts owed to Contractor by Owner or any of their Affiliates. Furthermore, to the extent that such amounts are insufficient to compensate Owner for monies spent, then Contractor shall remit such deficit to Owner within 5 days of request therefore by Owner.

5. Performance and Progress of Work.

- 5.1** The Contractor has prepared and provided a Construction Schedule (the "Schedule") (attached hereto as Exhibit B) for the Project. The Schedule includes a "Substantial Completion" date for these improvements. Should Contractor fail to meet this completion date, Owner has the right to subtract Liquidated Damages Amounts as outlined in Section 5.11.
- 5.2** From time to time Owner may issue instructions to Contractor identifying the Work to be performed at each specific location within the Project, and establishing a Construction Schedule for that portion of the Work. Contractor must review the Construction Schedule daily to verify, prior to commencing any Work any changes to the Construction Schedule and that the correct Materials, colors, options, and elevations are being used, as well as confirming that the schedule is current. Owner may amend the Construction Schedule for the Project from time to time by giving Contractor written notice of the new Construction Schedule, revised Specifications or specific Project jobsite conditions. Owner may also direct that certain parts of the Work be prosecuted in preference to others in order to maintain the progress of the Project.
- 5.3** Upon request, Contractor shall identify to Owner in writing all suppliers and other persons from whom Contractor proposes to purchase or to contract with or has purchased from or contracted with for necessary Materials, Work and other items which may be required by Contractor to fully perform its obligations hereunder. Unless otherwise directed in writing by Owner, Contractor shall furnish, at its own cost and expense, all Work, Materials, and Labor and equipment to perform Work in accordance with the terms of this Agreement. Contractor shall have the necessary personnel available to meet the Construction Schedule, including but not limited to personnel necessary to maintain the Construction Schedule due to any weather delays. Contractor shall pay all taxes, royalties and license fees applicable to Materials furnished by Contractor in the performance of this Agreement. Contractor shall secure and pay for all government approvals, if necessary, for the incorporation of Materials into the Project. Should Contractor use Owner's equipment or facilities, Contractor shall reimburse Owner at a pre-determined rate prior to the use thereof.
- 5.4** Contractor hereby agrees to comply with all provisions and requirements of the local jurisdiction within which the Project is located, including, but not limited to, those relating to construction noise. Unless otherwise specified by Owner, construction, alteration, or repair activities which are authorized by a valid permit shall be allowed between the hours permitted by the jurisdiction in which the Project is located. On weekends and federal holidays, construction shall be allowed only upon receipt of a weekend/holiday work permit from the local jurisdiction, if required, by its ordinances and/or any applicable homeowner's association rules. Contractor shall have the option, at its own cost, to provide and maintain feasible noise control measures. If mitigation is not feasible, then Work shall be scheduled during the hours when residents shall be least affected, at no additional cost to Owner. If blasting activities are required to perform the Work, Contractor shall conduct the blasting activities in compliance with all Applicable Laws. Contractor shall submit blasting plans to the local jurisdiction for review and obtain approval prior to commencing any on-site or off-site blasting activities.
- 5.5** Contractor shall perform all Work in accordance with the terms and conditions set forth in this Agreement. Contractor shall coordinate its Work with Owner and other contractors and sub-contractors of Owner and/or other contractors so that there will be no delay or interference with the Work being performed by Owner and its contractors. Contractor shall perform all Work promptly and efficiently and without delaying other work on the Project. Contractor agrees to remedy promptly, at its expense and to the satisfaction of the Owner, and all governmental bodies and agencies having jurisdiction, all defects in its Work (including replacement of defective materials where such materials have been furnished by Contractor or its suppliers) which appear within the Warranty Period (as defined in Section 12.2 of this Agreement). In addition to the foregoing and not by way of limitation thereof, Contractor agrees to repair or replace, to the satisfaction of the Owner and all governmental bodies and agencies having jurisdiction, any of its Work and Materials and any Work and/or Materials of others that are damaged as a result of improper or defective work or materials furnished by Contractor or those working under Contractor, which appear within the Warranty Period. If Contractor should fail or refuse to prosecute the Work properly and diligently or fail to perform any provisions of this Agreement, and should any such failure or refusal continue for 24 hours, or other

legally required times, after notice to Contractor, then such failure shall constitute a material breach of this Agreement. Such breach shall entitle Owner to immediately terminate this Agreement and remedy the situation with all Costs being borne by Contractor.

- 5.6 Owner shall have no liability to Contractor if any other laborer, supplier, sub-contractor or Contractor fails to comply with its respective Construction Schedule thereby delaying the progress of the Work of Contractor or Contractor's Agents. Contractor expressly agrees not to make, and hereby waives, any and all monetary claims for damages against Owner caused by any delay for any cause whatsoever, even those delays caused by Owner and those delays for which Owner may otherwise be liable. Contractor acknowledges that an extension of time shall be its sole and exclusive remedy in this regard. Should the Contractor be delayed in the prosecution of any Work solely by the acts of Owner or by a Force Majeure Event, the time allowed for completion of the Work shall be extended by the number of days that Contractor has been thus delayed, but no allowance or extension shall be made unless a claim therefore is presented in writing to Owner immediately upon the onset of such delay. For the purposes of this Agreement, "Force Majeure Event" shall mean any delay caused by any condition beyond the reasonable control of either Owner or Contractor, including, without limitation, an act of God; flood or other severe weather; war; embargo; fire or other casualty; the intervention of any governmental authority unrelated to any act or failure to act by the party claiming the Force Majeure Event; any act of terrorism or sabotage; and/or a civil riot.
- 5.7 Contractor shall give Owner immediate written notice if Contractor foresees, experiences and/or is advised of any constraint, shortage or insufficiency in the supply of any Materials, labor or other items necessary for Contractor to timely perform its obligations under this Agreement. The giving of such notice shall not excuse Contractor from its obligations hereunder. In the event of any such constraint, shortage or insufficiency, Contractor shall, at its own cost and expense: (a) use its best efforts to promptly resolve any such constraint, shortage or insufficiency and increase its forces, or work such overtime or expedite the delivery of Materials as may be required to bring its Work into compliance with applicable requirements; and (b) provide Owner with priority of supply and labor over any other customer of Contractor, at no additional cost to Owner. In addition, Owner may, at its sole discretion and option, locate, order and take delivery of the affected Materials directly from the manufacturer or an alternative supplier. If Owner exercises this option, then Contractor shall reimburse Owner for all of its Costs associated therewith, and Owner may, on a going forward basis, continue to order and take delivery of the affected Materials directly from the manufacturer or an alternative supplier. Owner may also, at its sole discretion and option, utilize labor from a different contractor to perform the Work.
- 5.8 Contractor shall make no changes in the Work to be performed by it including but not limited to additions, deletions or substitutions, nor shall Contractor perform any additional Work, without the prior written consent of Owner, it being understood that Contractor shall receive no sums in addition to the agreed to price for Work set forth in the Agreement ("Work Price"), and no extension in the Construction Schedule, without first obtaining such prior written consent of Owner. Any authorizations for changes in Work required to be performed by Contractor, including performance of additional Work, shall be subject to the terms of this Agreement and shall be upon such written forms as agreed to by Owner and Contractor. Should Owner so request, Contractor shall perform such additional Work so long as Owner agrees in writing to pay Contractor the specified cost of such additional Work together with Contractor's reasonable overhead and profit attributable thereto. Failure of Contractor to perform such additional Work shall constitute a material breach of this Agreement by Contractor, and any dispute concerning the performance of such additional Work, the amount to be paid Contractor by Owner and/or any adjustment in the Construction Schedule shall not affect Contractor's obligation to perform such additional Work. Touchup work, punch-list work and/or minor patching is considered a part of the Work, and shall not be considered additional Work.
- 5.9 If Contractor is delayed (such delay must be a critical path delay) at any time in the progress of the Work by any act of neglect of Owner, or by any agent or contractor employed by Owner, or by changes ordered in the scope of the Work, or by fire, adverse weather conditions not reasonably anticipated, or any other causes beyond the control of Contractor, then the required completion date or duration set forth in the Construction Schedule shall be extended by the amount of time that Contractor shall have been delayed

thereby, subject to Contractor taking all reasonable measures to mitigate the effects of such delay. However, to the fullest extent permitted by law, Owner and their agents and employees shall not be held responsible for any loss or damage sustained by Contractor, or additional costs incurred by Contractor, resulting from a delay caused by Owner, or their Contractors, agents or employees, or any other contractor, or supplier, or by abnormal weather conditions, or by any other cause, and Contractor agrees that the sole right and remedy therefore shall be an extension of time. Additionally:

- (a) Contractor must submit any claim for an extension of time to Owner in writing before the completion of their task and Owner must respond with its response to the request for an extension of time, which shall be at the Owner's sole discretion. Contractor's failure to give such written notice to Owner shall deprive Contractor of its right to claim an extension of time and any damages or additional costs incurred by Contractor resulting from such delay. The giving of such notice shall not in and of itself establish the validity of the cause of delay or of the extension of time to remedy the delay. A written change order signed by both parties is required to extend the Substantial Completion date. When referenced in this Agreement, working days are defined as Monday through Friday, and exclude weekends and holidays.
- (b) In the event a court of competent jurisdiction shall determine that this provision is inapplicable or unenforceable for any reason, then Contractor's sole right and remedy shall be the amount received by Owner from the party causing the delay on behalf of the Contractor for each day it is actually delayed by any act or neglect of Owner, or by any agent or contractor employed by Owner, or by changes ordered in the scope of the Work, or by fire, adverse weather conditions not reasonably anticipated, or any other causes beyond the control of Contractor. Contractor waives any claim for consequential damages against Owner arising out of or related to the Project and/or this Agreement, including but not limited to loss or use, income, profit, financing, bonding capacity, and/or office overhead.
- (c) Contractor shall maintain a rain gauge onsite and shall provide to Owner's Authorized Representative, on a weekly basis, a report of daily rain in inches and any days of work progress lost due to rain. Extension to the contract time for rain may only be granted to Contractor if the work being completed at that time was on the critical path of the Schedule and in excess of rain days allowed for in the Schedule and less than four (4) hours of work were completed on such rain day.

5.10 Contractor shall prepare and submit to Owner's Authorized Representative, on a weekly basis, site work progress maps that show weekly updates in the work completed on the Project plans and any modifications to the Schedule based on progress to date.

5.11 Should Contractor fail to perform any of its obligations as provided in this Section 5, then Owner shall have the right to subtract the amounts (the "Liquidated Damage Amount(s)") specified in this Section 5 from all sums due to Contractor (whether or not such sums are related to this Project or Agreement) and retain such Liquidated Damage Amounts as liquidated damages under this Agreement. The parties hereto acknowledge and agree that the damages resulting to Owner as a result of the default by Contractor under this Section 5 shall not be subject to specific ascertainment and therefore the provision herein for liquidated damages is incorporated as a benefit to both parties. This provision for liquidated damages is a bona fide damage provision and is not a penalty. The following additional Liquidated Damage Amounts shall also apply to the following events:

- (a) Should Contractor not show up for Work, the Liquidated Damage Amount shall be \$1,000.00 per day.
- (b) Should Contractor fail to perform as outlined in this Section 5, the Liquidated Damage Amount shall be \$1,000.00 per day.

The Liquidated Damage Amounts apply only to a breach by Contractor of this Section 5 and shall not limit any other damage remedies provided in the Agreement, except with respect to this Section.

6. Receipt and Protection of Materials; Protection of Work.

- 6.1** If requested or provided, Contractor and Owner shall sign-off on detailed take-offs provided by Contractor and/or Owner. Once Contractor has signed-off on a take-off, Contractor shall be solely responsible to meet the expectations provided for in the applicable take-off, and no adjustments in the take-off and/or changes to prices charged by Contractor hereunder shall be permitted without Owner's prior express written consent. Contractor shall not over utilize or waste Materials or exceed specifications pursuant to the take-off. In the event of over utilization or waste, Contractor shall be responsible to obtain or procure Materials at Contractor's own expense to complete the Project.
- 6.2** All Materials placed onsite, delivered to and accepted by Contractor, and/or transported by Contractor to and from the jobsite, shall be at the sole risk and responsibility of Contractor. It shall be the duty and responsibility of Contractor to accept or reject all such Materials. Failure of Materials to conform to the Specifications shall be cause for rejection, and Contractor shall not install or use any damaged Materials.
- 6.3** Contractor shall keep, store and maintain all Materials in good order. Contractor shall take commercially reasonable efforts to protect all Materials from damage, theft and/or loss and to protect the Work to be performed by Contractor, and shall at all times be solely responsible for the good condition thereof until final completion of the Work.
- 6.4** Contractor assumes all responsibility and expense for Contractor's Materials and/or tools lost, damaged or stolen at the Project jobsite. Contractor shall protect all property adjacent to that upon which it is performing Work and the property, work and materials of other Contractors and sub-contractors from injury arising out of Contractor's Work. In no event, shall Owner be responsible for loss or damage to the Work or Materials belonging to, supplied to, or under the control of Contractor (except as a direct result of the intentional acts of Owner), and Contractor shall indemnify and hold Owner harmless from any such claims. Contractor acknowledges and agrees that Owner owes no duty to protect Contractor's Work, Materials or tools, and if Owner uses the services of any security service that such services are for Owner's exclusive benefit and that Contractor shall not rely upon such services.
- 6.5** Without limiting the generality of the foregoing, Contractor shall take all precautions and actions that may be appropriate, whether or not requested by Owner, to protect Materials and/or Work during a predicted natural disaster, e.g., tornado, hurricane, severe thunderstorm.
- 6.6** Contractor shall be responsible for any defect in the Work or damages, theft or loss of Materials caused by or resulting from its failure to adequately and properly protect such Work or Materials. Contractor shall be fully liable and responsible to Owner for all Costs associated with any damage, loss, theft and/or vandalism resulting from Contractor's failure to fully comply with the terms of this Section.

7. Quality, Inspection and Correction of Work.

- 7.1** Contractor is solely responsible for the finished quality of its Work. Contractor shall make efficient use of all labor and Materials for the Project, and shall perform the Work in a good and workmanlike manner, free of defects, in compliance with the Agreement, Applicable Laws, and all manufacturers' recommendations, installation guidelines and specifications, and to the satisfaction of Owner. Without limiting the generality of the foregoing, all Work to be performed by Contractor shall meet or exceed the highest standards of the industry for the type of Work being performed in the same geographic area.
- 7.2** Contractor shall thoroughly inspect all of its Work and Materials for quality and completion. Contractor shall schedule all inspections relative to its Work and shall perform any tests necessary, if required, to receive inspection approval. Contractor shall pay all re-inspection fees. In addition, Owner may from time to time hire third party inspectors, and Contractor shall cooperate with such inspectors and make corrective Work they require, at no additional cost to Owner.

- 7.3 Contractor shall promptly correct all Work which Owner, in its sole discretion, deems to be deficient or defective, or as failing to conform to this Agreement and Contractor shall bear all costs of correcting such rejected Work without any increase in the Work Price. Owner may nullify any previous approval of Work if it subsequently determines that the Work is defective or non-compliant. In addition, Contractor shall, within 1 business day after receiving notice from Owner, take down all portions of the Work and remove same which Owner rejects as unsound or improper, and Contractor shall make repair or replace all Work and/or Materials rejected, at Contractor's sole expense.
- 7.4 Should Owner exercise any of its options, remedies or rights granted it pursuant to the terms of this Agreement, in the event of any material failure of performance or breach by Contractor, Owner at its sole election may, but shall not be obligated so to do: (a) use any Materials, supplies, tools or equipment on the jobsite that belong to Contractor to complete the Work required to be completed by Contractor, whether such Work is completed by Owner or by others, and Contractor agrees that it shall not remove such Materials, supplies, tools and equipment from the jobsite unless directed in writing by Owner to do so; (b) eject Contractor from the jobsite; and/or (c) enforce any or all of the agreements that Contractor has with Contractor's Agents, true and complete copies of which (including all modifications and change orders) shall be provided immediately upon Owner's request. In exercising its rights under this Section 7.4(c), Owner shall only be acting as the authorized agent of Contractor and Owner shall not incur any independent obligation in connection therewith.
- 8. Labor Matters.**
- 8.1 In the performance of the Work, Contractor shall only employ qualified persons to perform Work on the Project, shall not employ any person, who is disorderly, unreliable or otherwise unsatisfactory, and shall immediately remove or replace any such person upon notice from Owner. In connection with performance of the Work, Contractor agrees not to discriminate against any employee or applicant for employment because of race, color, sex, age, national origin, disability and/or any other protected class or status.
- 8.2 Contractor shall maintain labor harmony on the Project jobsite, and shall not employ any persons, means, Materials or equipment which may cause strikes, work stoppages or any disturbances of Contractor's Agents, Owner and/or any other contractor or sub-contractor on the Project. Contractor shall perform Work with labor that is compatible with that of other contractors performing work at the Project jobsite, and Contractor shall exercise all due diligence to overcome any strike or other labor dispute or action. Any strike or other labor difficulties shall not be considered a "Force Majeure Event" for the purposes of this Agreement, if such labor difficulties are caused by the action or inaction of Contractor.
- 8.3 Contractor is solely responsible for the verification of each of its employee's and Contractor's Agent's eligibility to work legally in the United States. Contractor represents and warrants that: (a) Contractor's employees and Contractor's Agents shall all be eligible to work legally in the United States, (b) Contractor will timely obtain, review and retain all documentation required by Applicable Law(s) to ensure that each of its employees and each of Contractor's Agents is eligible to work legally in the United States; (c) Contractor shall comply with all Applicable Laws and other governmentally required procedures and requirements with respect to work eligibility, including all verifications and affirmation requirements; and (d) Contractor shall not knowingly or negligently hire, use, or permit to be hired or used, any person not eligible to work legally in the United States in the performance of Contractor's Work.

9. General Environmental Compliance

- 9.1** Contractor and Contractor's Agents shall fully comply with all applicable federal, state and local environmental and natural resource laws, rules and regulations. Contractor shall solely be responsible for and shall defend, protect, indemnify and hold Owner harmless from and against any and all claims, losses, costs, penalties, attorney and consultant fees and costs, and damages, including, without limitation, consequential damages, arising from or related to Contractor's or Contractor's Agents' failure to comply with any federal, state and local environmental and natural resource laws, rules and regulations, including ordinances and policies.
- 9.2** Contractor is solely responsible for the proper use, storage and handling of all Materials, including but not limited to potential pollutants, used in Contractor's and Contractor's Agents' Work, and for the generation, handling and disposal of all wastes resulting from Contractor's and Contractor's Agents' Work, in full compliance with all applicable federal, state and local laws, rules and regulations. In addition, Contractor shall immediately notify Owner if Contractor or Contractor's Agents generate more than 100 kilograms of hazardous waste in any one month onsite.
- 9.3** Contractor and Contractor's Agents must not cause any unpermitted impacts to wetlands, waters or designated protected areas, whether on or off the jobsite.
- 9.4** Contractor and Contractor's Agents must minimize any vehicle or equipment fueling, washing, maintenance or repair on the jobsite and such activities should not result in run-off or releases onto the ground or off the jobsite or into a storm water management or conveyance system.
- 9.5** Contractor will take immediate steps, at Contractor's sole expense, to remediate in full compliance with and to the full extent required by Applicable Laws, rules and regulations, any release or discharge by Contractor of any hazardous or other regulated substance, whether on or off the jobsite while acting on behalf of or within the scope of its Work for Owner.
- 9.6** In the event that Contractor fails to correct any non-compliance with this Section after written notice from Owner, Owner may, without assuming any liability therefore, correct such non-compliance and charge the Costs of such correction to Contractor, through setoff of any amount which may be due Contractor under this or any other agreement, or otherwise, including, but not limited to repair and remediation Costs, and penalties and fines for noncompliance. In the event that there is not enough value of the Agreement remaining to allow the Owner to set-off against any sums due Contractor as a result of such non-compliance, then Contractor agrees to fully reimburse Owner the Costs of such correction immediately upon notice by Owner.

10. Storm Water Management.

- 10.1** Contractor shall comply with the Federal Water Pollution Control Act of 1972, as amended, (the "Clean Water Act" or "CWA"), and all federal, state and local laws, regulations, ordinances, and policies relating to storm water pollution, sedimentation control and erosion control. Owner, if applicable to the Work, in accordance with Paragraph 402(p) of the CWA, which establishes a framework for regulating storm water discharges under the National Pollution Discharge Elimination System ("NPDES") Program, has or will developed an erosion, sedimentation and storm water pollution control and prevention plan (a "SWPPP") for the Project in order to control erosion and storm water discharges and to prevent certain non-storm water discharges. Contractor and Contractor's Agents shall at all times comply with the NPDES Permit(s) and the SWPPP. Contractor shall solely be responsible for and shall irrevocably defend, protect, indemnify and hold Owner harmless from and against any and all past, present or future claims of any kind or nature, at law or in equity (including, without limitation, claims for personal injury, property damage or environmental remediation or restoration), losses, costs, penalties, obligations, attorney and consultant fees and costs, and damages, including, without limitation, consequential, special, exemplary and punitive damages contingent or otherwise, matured or unmatured, known or unknown, foreseeable or unforeseeable, arising from or in any way related to Contractor's or Contractor's Agents' failure to comply with the Clean Water Act, any federal, state and local laws, rules and regulations, including ordinances and policies,

relating to storm water pollution and erosion and sedimentation control and/or the SWPPP as they may be applicable to the Work. Such failures shall constitute a material breach of this Agreement.

- 10.2** Contractor shall designate a Contractor employee representative with authority from Contractor to oversee, instruct, and direct Contractor's employees and Contractor's Agents regarding compliance with the requirements of the CWA and any federal, state or local laws, regulations or ordinances relating to storm water pollution or erosion control and the requirements of the SWPPP for the Project. Prior to commencing Work at the Project or within a reasonable time after, the designated Contractor representative shall contact Owner's jobsite Project Manager to request information on storm water management at the Project. Contractor and Contractor's Agents shall review prior to commencing Work on the jobsite, and shall abide by at all times, all storm water and jobsite orientation materials and direction provided by Owner to Contractor, and as may be required by the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and the SWPPP, shall file all notifications, plans and forms required by the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and the SWPPP. Contractor is responsible for circulating information provided by Owner regarding storm water management to its employees and Contractor's Agents who will be working on the Project.
- 10.3** Contractor shall require Contractor's Agents to immediately notify Contractor and Owner of any source pollutants that Contractor's Agents intend to use on the jobsite that are not identified in the SWPPP, and shall require that each of Contractor's Agents on the Project immediately notify Contractor and Owner of any corrections or recommended changes to the SWPPP that would reduce or eliminate the discharge of pollutants and/or sediments from the jobsite. Further, neither Contractor nor any of Contractor's Agents shall discharge any prohibited non-storm water discharges to storm water systems or from the jobsite. If requested by Owner, Contractor shall annually or at the completion of the Work, certify that the Work was performed in compliance with the requirements of the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and the SWPPP.
- 10.4** Contractor acknowledges that periodic changes may have to be made to the SWPPP during the progress of the Work, and Contractor shall at all times comply with, and shall require that Contractor's Agents at all times comply with, the most current version of the SWPPP. Contractor and Contractor's Agents shall use best efforts to comply with the SWPPP practices and procedures, including, without limitation, the "best management practices," and Contractor shall implement "best management practices" to control erosion and sedimentation and to prevent the discharge of pollutants including sediments. Contractor shall ensure that all of Contractor's and Contractor's Agent's personnel are appropriately trained in the appropriate "best management practices", and trained to comply with the SWPPP and with all Applicable Laws and regulations.
- 10.5** Contractor shall immediately notify Owner if it observes, discovers and/or becomes aware of (i) any spill of any hazardous or toxic substance or material or other pollutants on the jobsite, (ii) any discharge of any hazardous or toxic substance or material or other pollutants into or on the jobsite which leaves the jobsite or is capable of being washed from the jobsite during a rain event, (iii) any failure by any party to comply with the requirements of the SWPPP, the Clean Water Act, and/or any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and (iv) any damage to or failure of a "best management practice" or any other stormwater or erosion control measure. Contractor shall retain all records relating to the SWPPP, the CWA, and any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion control, and any and all violations of the same for a period of 5 years following completion of the Project, or longer as required by Applicable Law.
- 10.6** Notwithstanding anything to the contrary contained herein, Owner shall have the right, but not the obligation, to immediately remedy any violation of the CWA, any federal, state or local laws, regulations, ordinances, or policies relating to storm water pollution or erosion and sedimentation control, and/or the SWPPP for which Contractor is responsible, without the necessity of providing Contractor with any notice or right to cure. Should Owner remedy any such violation, Owner shall have the right to back-charge Contractor for the Costs to remedy the violation. Conversely, Owner shall have the right, in Owner's sole

and absolute discretion, to require Contractor to reimburse Owner for the Costs incurred by Owner to remedy such violation and/or for fines or penalties paid for such violation, and unless Contractor reimburses Owner for such Costs within 10 days after receiving Owner's written request for payment of the same, Contractor will be in default of this Agreement, and Owner shall have all rights and remedies available to Owner as a result of a Contractor default. Nothing in this Section 10.6 shall limit or modify in any way Contractor's obligations or Owner's rights under Section 10.1.

11. No Lien Rights

11.1 Contractor agrees that the Owner is a local unit of special purpose government and is not an "Owner" as defined in Section 713.01(23), Florida Statutes. Therefore, as against the Owner, any part of the Work or the Owner's property on which the Work is performed, there are no lien rights available to any person providing materials or services for improvements in connection with the Project. Contractor shall not permit any laborer's, materialmen's, mechanic's or other similar liens to be filed or otherwise imposed on any part of the Work or the property on which the Work is performed.

11.2 [intentionally deleted]

11.3 [intentionally deleted]

11.4 If Contractor fails to pay and discharge when due, any bills or obligations of any kind or nature whatsoever incurred by Contractor by reason or in the fulfillment of this Agreement which bills or obligations in the opinion of Owner are proper, Owner, at Owner's option but without being obligated to do so, may pay all or any part of such bills or obligations, for Contractor's account and/or Owner may, at its sole discretion, issue payment jointly to Contractor and the applicable third party. Any direct or joint payment is solely at the discretion of Owner and shall be deemed as a payment towards the obligations of this Agreement. **Contractor hereby expressly waives and releases any claim and/or right of redress or recovery against Owner by reason of any act or omission of Owner in paying such bills or obligations, and nothing herein shall be deemed to mean Owner assumes any liability towards Contractor's suppliers, laborers or material suppliers.**

11.5 [intentionally deleted]

11.6 Contractor intends to furnish Work and/or Materials in the construction, repair and/or replacement of improvements upon real property owned by Owner.

(a) Contractor represents and warrants that it has not assigned and will not assign any claim for payment or any right to perfect a Lien against said Work, real property, or the improvements thereon, to any third person, including without limitation any lender or factoring company. Contractor agrees that any such attempted assignment shall be invalid and not enforceable. Such attempted assignment shall be deemed a material default of Contractor's obligations under this Agreement. Contractor shall include substantially identical language to this Section in all subcontracts for Work and/or Materials.

(b) [intentionally deleted]

12. Warranties; Warranty Work and Performance Standards.

12.1 Contractor warrants and guarantees that: (a) all Materials incorporated into the Project, except Materials provided by Owner, shall meet or exceed the requirements of all Applicable Laws and shall be new, of good quality and free of Liens, security interest, claims or encumbrances; and (b) all other Materials, except Materials provided by Owner, used by Contractor in the performance of any Work, and all Work, shall meet or exceed the requirements of all Applicable Laws.

- 12.2 Contractor warrants that the Work and all Materials, except Materials provided by Owner, incorporated into the Project shall be and remain free from defects or flaws from the date of Owner's acceptance of the Work through (a) 12 months after governmental acceptance of the Work or (b) such greater period as required by all applicable local, state and federal ordinances, law, rules and regulations (the longer of (a) and (b), the "Warranty Period"). In addition, upon Owner's acceptance of the Work, Contractor shall deliver and transfer to Owner any and all Materials manufacturer's warranties. The warranties and guarantees contained herein shall in all cases survive termination of this Agreement and shall apply to both patent and latent defects in workmanship and materials.
- 12.3 If during the applicable Warranty Period, the Work and/or Materials, except Materials provided by Owner, do not comply with the warranties set forth in this Section and/or elsewhere in the Agreement, then Contractor shall promptly repair the Work or replace such Materials, at Contractor's sole cost and expense for all associated Materials and labor, within 48 hours after notice to do so, or within 3 hours after notice in the event of any emergency. Owner, in its sole and absolute discretion, shall determine whether an emergency exists, which generally includes, but is not necessarily limited to, those conditions involving the risk of harm to persons or property. Repairs and replacements shall be made in a diligent first-class manner with as little inconvenience as possible to Owner. Contractor shall clean up thoroughly after repairs are completed. Neither repairs nor replacements shall be deemed to be complete until the defect or nonconformity has been permanently corrected. Contractor shall reimburse Owner for any damages and/or for any reasonable Costs incurred as a result of the inconvenience or loss of use which is caused by the defect, non-conformity or the repairs and/or replacements. In the event Contractor fails or refuses to timely fulfill any of its warranty obligations, Owner, may repair or replace the applicable Work or Materials and Contractor shall reimburse and pay Owner, for all Costs related thereto, on demand.
- 12.4 If the Work and/or Materials, except Materials provided by Owner, are determined by Owner to be defective or otherwise non-conforming after the expiration of the Warranty Period but before the expiration of the applicable statutory limitation period and/or statutory repose period, Owner, in its sole and absolute discretion, shall have the right to request that Contractor repair and replace any Work and Materials furnished by Contractor pursuant to this Agreement. Contractor shall use commercially reasonable efforts to promptly perform such repair and replacement at Contractor's sole cost and expense for all associated Materials and labor. If Contractor performs any such repair and/or replacement after the expiration of the Warranty Period and after the expiration of the applicable statutory limitation period and statutory repose period, Owner shall compensate Contractor for such repair and/or replacement activities at the then current reasonable market rates. The provisions of this Section shall survive expiration or termination of this Agreement and/or completion of the Work of Contractor.
13. **Notice and Opportunity to Repair Statutes.** Contractor agrees to cooperate with Owner in connection with any matters relating to any applicable notice and opportunity to repair statutes. If Contractor fails or refuses to cooperate in that process, Owner will have the right to correct any defective Work, and Contractor shall, upon demand, immediately reimburse Owner for all Costs incurred responding to and/or correcting any such defective Work.
14. **Relationship Management.**
- 14.1 Each party shall designate an individual to serve as its "Authorized Representative" under this Agreement, which initially shall be those individuals identified on the first page of this Agreement. Each party's Authorized Representative shall serve as the principal point of accountability for coordinating and managing that party's obligations. Either party may assign a replacement individual to serve as an Authorized Representative from time to time, provided that the party assigning a replacement gives 30 days advance notice (or as much advance notice as is possible under the circumstances, if less than 30 days) of the replacement individual.
- 14.2 Each party shall reasonably cooperate with the other party in connection with its obligations under this Agreement. Such cooperation shall include informing the other party of all management decisions that the party reasonably expects to have a material effect on the obligations required to be performed by that party under this Agreement.

- 14.3 Contractor shall maintain electronic communications with Owner via e-mail.
- 14.4 Contractor shall provide Owner with all reports, documentation and information as Owner reasonably requests to verify the performance of Contractor's obligations under this Agreement, including, without limitation, full reports of the progress of Work in such detail as may be required by Owner including any shop drawings, as-built drawings and/or diagrams in the course of preparation, process, fabrication, manufacture, installation or treatment of the Work and/or Materials.
- 14.5 Contractor represents and warrants that it: (a) shall perform its obligations and deal with Owner in good faith and with fair dealing; (b) shall conduct its business in a manner that reflects favorably on Owner; (c) shall not engage in any deceptive, misleading, illegal or unethical business practices; (d) has not and shall not, directly or indirectly, request, induce, solicit, give and/or accept any bribe, kickback, illegal payment and/or excessive gifts or favors to or from Owner or any Owner employee, and/or any third party acting on Owner's behalf; and/or (e) has not engaged in and shall not engage in any anticompetitive behavior, price fixing and/or any other unlawful restraints of trade. Contractor shall immediately provide written notice to Owner of any of the foregoing upon Contractor's becoming aware of the same.
- 14.6 To the extent permissible under Applicable Law or agreement, Contractor shall notify Owner in writing promptly of: (a) any litigation, mediation and/or arbitration brought against Contractor related to Work performed and/or Materials supplied by Contractor under any purchase order; (b) any actions taken or investigations initiated by any governmental agency in connection with the Work performed and/or Materials supplied by Contractor under any purchase order; (c) any legal actions initiated against Contractor by governmental agencies or individuals regarding any illegal activities, including, but not limited to, fraud, abuse, false claims and/or kickbacks; (d) any proceedings by or against Contractor in bankruptcy, insolvency of Contractor, any proceedings for appointment of a receiver or trustee or an assignment for the benefit of creditors or any other similar event. Upon Owner's request, and to the extent permissible under Applicable Law or agreement, Contractor shall provide to Owner all known details of the nature, circumstances, and disposition of any of the foregoing.
15. **Goals, Continuous Improvement and Quality.**
- 15.1 Contractor acknowledges that Owner's long term goals may include: (a) shortening build-times for the Project; (b) increasing flexibility; (c) achieving ongoing cost reductions; and (d) achieving specific quality goals and continuous quality improvement. Contractor agrees to cooperate with Owner in working toward achieving these goals, which includes, without limitation, the obligations set forth in this Section.
- 15.2 Contractor understands that Owner's selection of Contractor as a provider of Work is based in part on Owner's belief that Contractor is committed to continuing to improve its performance of Work and to find cost savings over the term of this Agreement. Savings may relate to development and implementation of manufacturing efficiencies, feature improvements, component purchase price reductions, engineering breakthroughs and/or delivery and distribution enhancements that result in lower cost of Work and/or operating expenses for Contractor and/or Owner. To this end, Contractor shall use commercially reasonable efforts to continuously improve the performance and quality of Work, to assist Owner in achieving costs savings associated with Work, and to reduce Contractor's costs of performing Work, through increases in efficiency and otherwise.
- 15.3 If Contractor fails to perform Work properly, as determined by Owner in its sole and absolute discretion, Contractor shall promptly put into place a written corrective action plan, reasonably acceptable to Owner, designed to ensure that Contractor will perform Work properly going forward.
16. **Prices and Payment.**
- 16.1 Contractor will perform the Work for a lump sum amount of ONE HUNDRED NINETY-SIX THOUSAND THREE HUNDRED SIXTY-SIX DOLLARS AND THIRTY CENTS (\$196,366.30). **THIS IS A LUMP SUM CONTRACT.** The Work Prices, Materials prices and/or other billing amounts shall not

exceed the prices agreed to between the parties, without the prior written consent of Owner. In addition, if Owner has an agreement for direct pricing with a manufacturer and/or supplier of Materials, prices for such Materials shall be passed through to Owner at Contractor's cost (i.e., without mark-up) and shall in no event exceed any prices agreed to between Owner and the applicable Material manufacturer and/or supplier. Contractor agrees that any price reduction applicable to the ordered Work and/or Materials subsequent to the Agreement date, but prior to delivery, shall be applicable to the Agreement.

16.2 Owner shall designate the methodology for payment to Contractor.

- (a) If Contractor is instructed to submit invoices to Owner, then Contractor will remit invoices, and Owner will pay such invoices in a manner consistent with the Local Government Prompt Payment Act, Sections 218.70 through 218.80 of the Florida Statutes. An invoice date shall be no earlier than the date the Work, or applicable portion thereof, is completed. All invoices must be submitted by Contractor within 30 days of its completion of the Work, or applicable portion thereof. Invoices received after 90 days of the completion of the Work, or applicable portion thereof, shall be null and void. Owner shall not be liable for any charges associated with the Work and/or Materials represented by such delinquent invoices, and Contractor hereby expressly waives its right to receive any payment in connection, any such delinquent invoices. Contractor shall make payments due to subcontractors and materialmen and laborers within ten (10) days in accordance with the prompt payment provisions contained in Sections 218.735(6), 218.735(7), and 218.74, Florida Statutes. All payments due and not made within the time prescribed by Section 218.735, Florida Statutes, shall bear interest at the rate of 1% per month on the unpaid balance in accordance with Section 218.735(9), Florida Statutes.
- (b) Contractor agrees to notify Owner within 5 business days if Contractor has not received payment in full within 30 days of payment becoming due under Section (a) above.
- (c) In accordance with Section 218.735(8), Florida Statutes, ten percent (10%) shall be retained from each payment made to the Contractor until the Work is fifty percent (50%) complete; after the Work is fifty percent (50%) complete, five percent (5%) shall be retained from each payment. Owner also shall be permitted to retain amounts permitted or required to be retained under applicable law. All of the sums retained shall be paid in full within twenty-five (25) days after final completion of the Work.

16.3 As a condition to any payment to be made by Owner to Contractor, Owner may, at its option, require Contractor to furnish to Owner: (a) full and complete Lien waivers, in a form acceptable to Owner, executed by Contractor and all Contractor's Agents utilized by Contractor in performing the applicable Work and/or supplying Materials in connection with the applicable Work, as well as any other information and documentation requested by Owner with respect to Work and/or Materials covered by the applicable invoice; and (b) a current sworn statement from Contractor attesting to all Contractor's Agents, the amount of each subcontract and/or contract with Contractor's Agents, the amount requested for any Contractor's Agent in the invoice, the amount the Contractor has paid to each Contractor's Agent, and the amount to be paid the Contractor under the invoice. Invoices/Pay Applications will not be deemed complete until all required documentation has been submitted.

16.4 No payment made under this Agreement shall be conclusive evidence of the performance of this Agreement, either in whole or in part, and no payment shall be construed as acceptance of defective Work.

16.5 Contractor agrees that amounts owed under any portion of this Agreement are subject to offsets by Owner in the event of: (a) Contractor's breach(es) of this Agreement; (b) any damages caused by Contractor; (c) any Liens or other claims arising out of the Work and/or Materials; (d) any Costs or anticipated Costs of curing defective Work and/or Materials and/or any other amounts expended by Owner in connection therewith; (e) Contractor's breaches of other agreements between Contractor and Owner and/or its Affiliates; (f) any Liquidated Damage Amounts due from Contractor; and/or (g) claims or amounts due to Owner and/or its Affiliates, regardless of whether arising out of this Agreement or otherwise. Contractor further agrees that should Owner have reason to terminate this Agreement as a result of Contractor's failure

to comply with the terms and conditions of this Agreement then Owner and/or its Affiliates shall have the right, in their sole discretion, to terminate any other agreements between Contractor and Owner and/or its Affiliates.

- 16.6** In the event Contractor breaches this Agreement, Owner shall have the right to stop all payments to Contractor until such time as Owner can accurately ascertain its damages and Costs resulting from the breach, at which time Owner is authorized to deduct all Costs related thereto from any monies owed Contractor under this Agreement and/or other agreements with Owner.
- 16.7** Contractor shall not delay and/or stop any Work by reason of Owner' failure to make any payments if the failure is a result of a dispute as to the amount of the payment or whether payment is due.
- 16.8** Notwithstanding anything herein to the contrary, Contractor shall not make any adjustments to the prices set forth in the Agreement without providing Owner a minimum 60 days' prior written notice. Further, Contractor acknowledges and agrees that any such increases, if accepted by Owner, shall not be effective until the 60-day time period has expired and any such increases shall be applicable only to new, fully agreed upon change orders issued after such increases become effective.
- 16.9** If, during the term of this Agreement, Contractor offers Work to any developer at prices and/or on terms more favorable than offered to Owner, then Contractor shall immediately offer those same prices and/or terms to Owner. It shall not be incumbent on Owner to discover the same. In addition, any Work Price decreases agreed to between the parties shall apply to all Work on or after the effective date of the decrease.
- 16.10** Acceptance by Contractor of any payment shall be a complete and final release of any and all claims the Contractor has or may have related to, concerning or arising out of this Agreement up to and through the time period of work included in the invoice, including but not limited to extra work, delays and change orders except only those claims that are specifically identified in writing and attached to the invoice.
- 16.11** Owner may order or propose changes in the Work consisting of additions, deletions or other revisions with the Agreement amount and time being adjusted accordingly. All such changes in the Work shall be by a written change order or written modification of the Contract signed by all parties. Owner may, by a written directive issued and signed by Owner's authorized representative, direct Contractor to proceed with changes in the Work, prior to the issuance of a change order. Upon receipt of a written directive from Owner, Contractor shall proceed with the Work.
- 16.12** Contractor shall submit to the Owner a written detailed estimate of the cost of performing the ordered or proposed changes to the Work to include quantities, unit prices, labor rates, manufacturer's and supplier's quotations and all other information required by Owner for a complete analysis of the estimate. If the proposed change affects the length of time Contractor requires to complete its Work, Contractor shall set forth, in writing, the amount of any justifiable time increase in its proposal. Contractor's proposal shall be submitted to Owner within 10 working days of its receipt of the request from Owner.
- 16.13** Any and all claims for time or money must be presented to Owner, in writing, within 5 working days after the occurrence of the event giving rise to such claim. Failure by Contractor to present such claim in writing within 5 working days after the occurrence shall be deemed a waiver of such claim and the Contractor shall be barred from pursuing such claim against Owner.
- 16.14** Contractor shall forward all documents requested by Owner regarding any claim, including but not limited to job cost reports, daily reports, foreman daily reports and diaries, Contractor's complete estimate, invoices, subcontracts, purchase orders, equipment documents (list of company owned, rented or other equipment used), rental charges, job costing of company owned equipment and general ledger.
- 16.15** No dispute as to adjustment of the Agreement amount or time for changed Work, shall excuse Contractor from proceeding with such changed Work that has been duly authorized by Owner.

16.16 Contractor waives any claims for consequential damages, including but not limited to, claims for principal office expenses including compensation of personnel stationed there, for loss of financing, business and reputation, lost profits and loss of bonding capacity.

17. **Inspections and Reviews.** Owner and its agents shall have the right to inspect all Contractor Materials, facilities, Project jobsites and surrounding areas, to confirm Contractor's compliance with the requirements of this Agreement, as well as background OSHA and Experience Modification Factor checks. No inspection or failure to inspect by or on behalf of Owner will increase Owner's obligations or liabilities nor limit Owner's rights or Contractor's obligations.

18. **Indemnification.**

To the maximum extent permitted by law, Contractor, on behalf of itself and its employees, officers, representatives, materialmen, laborers, contractors, sub-contractors, and any other parties acting at the direction of Contractor (collectively, "Contractor Entities") hereby agrees to save, indemnify, defend and hold harmless (such action, the "Indemnity") Owner and its supervisors, consultants, agents, staff, and employees; and VK Avalon Groves, LLC ("Developer") and its parents, Affiliates, subsidiaries, officers, directors, managers, agents, contractors, materialmen, laborers, representatives, employees, successors and assigns (collectively, the "Indemnitees"), from and against any and all liability, costs and damages of any kind whatsoever (including without limitation loss of profits, consequential damages, and/or punitive damages) sustained by the Indemnitees as a result of the activity or inactivity (the "Covered Activity") of Contractor Entities, including without limitation activity or inactivity arising out of or incidental to the performance of this Agreement or work performed thereunder, but only to the extent caused in whole or in part by any act, omission, or default of Contractor, or any of Contractor's subcontractors, sub-subcontractors, materialmen, or agents of any tier or their respective employees. This section 18 shall also pertain to any claims brought against Indemnitees by any other employees of the named Contractor, any subcontractor, or anyone directly or indirectly employed by any of them. The parties hereto acknowledge that the Indemnity is intended to be as broad as permissible under Applicable Law or regulation. Contractor shall defend all suits brought against the Indemnitees, at its expense, regardless of the cause of such suits and regardless of any negligence (except gross negligence) on the part of the Indemnitees. Contractor shall reimburse upon demand Indemnitees for any expense sustained in connection with actions brought as a result of the Covered Activity. By way of illustration but not limitation, should the Indemnitees become liable in connection with being deemed the statutory employer of an individual acting under Contractor's direction, then Contractor shall indemnify, defend, and hold harmless the Indemnitees from any damages sustained in connection with being deemed the statutory employer. This indemnity obligation includes, without limitation, expenses (including reasonable attorney's fees) claims, judgments, suits, or demands for damages to persons or property arising out of, resulting from or relating to Contractor's performance of the Work under this Agreement or Contractor's breach of this Agreement ("Claims") unless such Claims have been specifically determined by the trier of fact to be solely the result of the gross negligence or intentional acts of Owner. Contractor's duty to indemnify Indemnitees shall arise at the time written notice of a Claim is first provided to Indemnitees regardless of whether claimant has filed suit on the Claim. In situations where it is determined by the trier of fact that Indemnitees are partially at fault for a Claim due to Indemnitees' gross negligence or intentional misconduct, Contractor's obligation to fully indemnify Indemnitees shall be limited to a maximum liability of \$2,000,000. Contractor's indemnification obligation shall include, but not be limited to, any Claim made against Indemnitees by a Contractor's Agent who has been injured on property owned by Indemnitees. This provision shall be deemed to be a part of the Project specifications. Nothing in this Agreement shall be construed to require Contractor to defend or indemnify Owner for any Claims resulting solely from Owner's gross negligence or intentional acts.

18.1 Contractor will defend Claims that may be brought or threatened against Indemnitees and will pay on behalf of Indemnitees any expenses incurred by reason of such Claims including, but not limited to, court costs, expert costs and reasonable attorney fees incurred in defending or investigating such Claims. Such payment on behalf of Indemnitees shall be in addition to any and all other legal remedies available to Indemnitees and shall not be considered Indemnitees' exclusive remedy.

18.2 In the event Indemnitees are required to mediate, arbitrate, or litigate a Claim (which may or may not be with a homeowner) arising out of or relating to the Work performed under this Agreement, Indemnitees may, in its sole discretion, require Contractor to participate in such mediation, arbitration, and/or litigation. If the Claim is resolved through arbitration, any judgment rendered by the arbitrator(s) may be confirmed, entered and enforced in any court having jurisdiction and the Contractor shall be bound by that decision.

18.3 The provisions of this Section 18 shall survive expiration or termination of this Agreement and/or completion of the Work of Contractor and shall continue until such time it is determined by final judgment that the Claim against Indemnitees is fully and finally barred by the statute of limitations. Contractor's indemnification and defense obligations shall not be limited by the amounts or types of insurance that Contractor is required to carry under this Agreement or that Contractor does in fact carry.

In the event that such court of competent jurisdiction finds that any state statutory indemnity limits apply to this Agreement with respect to Contractor's indemnification of Owner for liability caused in whole or in part by any act, omission or default by Owner, the parties hereto agree that such limit shall be equal to the limits (exclusive of deductibles) of the applicable insurance required by this Agreement. The parties acknowledge and agree that this monetary limit, if required, bears a commercially reasonable relationship to this Agreement, in so far as, among other factors, the parties have taken into account the availability and cost of insurance and other risk transference devices, the scope of the Work, the risks associated with the Work, and the compensation and any other benefits exchanged between the parties in connection with this Agreement. The parties further agree that this provision is hereby made a part of the Project specifications and bid documents.

19. **Insurance.** Contractor shall carry, with insurance companies rated A VII or better by A.M. Best Company, the insurance coverage specified in Exhibit G continuously during the life of this Agreement, and thereafter as provided in Exhibit G. Contractor must furnish the Owner with Certificates of Insurance reflecting coverage as described below at least 7 days **before** starting any Work, giving evidence that Contractor is carrying all of the insurance required in Exhibit G.

19.1 Insurance and Indemnity of Contractor's Agent(s).

- (a) If Contractor should subcontract any Work, Contractor shall nevertheless be bound to indemnify Owner as provided in this Agreement on behalf of Contractor's Agent(s). In addition, Contractor shall require that Contractor's Agent(s) also be bound to indemnify Owner as provided in this Agreement. Contractor represents and warrants that Contractor's Agent(s) shall carry insurance as set forth in this Agreement prior to permitting Contractor's Agent(s) to commence its work.
- (b) Contractor shall require in its purchase orders that its suppliers indemnify Contractor and Owner from all losses arising from any materials or supplies included in any Work.
- (c) Contractor shall require the same insurance coverage required of Contractor from any sub-Contractors performing any portion of Contractor's work. Notwithstanding anything to the contrary herein contained, each party hereby waives all claims for recovery from the other party for any loss or damage to its property caused by fire or other insured casualty and agrees that where there is insurance coverage that the insurance coverage shall be the only avenue of recovery. This waiver shall apply, however, only where the insurance covering the loss or damage will not be prejudiced by reason of such waiver.

19.2 Miscellaneous Insurance Provisions.

- (a) Any attempt by the Contractor to cancel or modify insurance coverage required by this Agreement, or any failure by the Contractor to maintain such coverage, shall be a default under this Agreement and, upon such default, Owner will have the right to immediately terminate this Agreement and/or exercise any of its rights at law or at equity. In addition to any other remedies,

Owner may, at its discretion, withhold payment of any sums due under this Agreement until Contractor provides adequate proof of insurance.

- (b) The amounts and types of insurance set forth above are minimums required by Owner and shall not substitute for an independent determination by Contractor of the amounts and types of insurance which Contractor shall determine to be reasonably necessary to protect itself and its Work.
- (c) Owner reserves the right to modify these insurance requirements, and if Contractor continues to perform Work, Contractor agrees to be bound by such modifications **30 days after receipt** of the modified provisions.

19.3 Compliance with this Section.

- (a) Contractor acknowledges that timely compliance with this Section and Exhibit G is essential to Owner's risk management. As such, if Contractor fails to comply with any of its obligations under this Section 19 and Exhibit G, Contractor shall be in default of this Agreement and Owner shall have all rights under this Agreement with respect to Contractor's default. Additionally, Owner shall be entitled to (i) withhold any and all payments due to Contractor until Contractor cures such non-compliance, and (ii) assess a service credit in the amount of \$500.00 for each instance of Contractor's non-compliance. Service credits shall be credited against the Contractor's next invoice payable by Owner hereunder. Notwithstanding the foregoing service credit, Contractor shall be required to protect and indemnify Owner and all Indemnitees (as defined in Section 18 of this Agreement) to the fullest extent provided in this Agreement.

20. [intentionally deleted]

21. Term and Termination.

21.1 This Agreement shall be effective on the Effective Date and continue until terminated in accordance with its terms. In the event that Contractor terminates this Agreement in accordance with the terms set forth herein, Contractor nevertheless shall complete all outstanding Work in accordance with the terms of this Agreement.

21.2 Contractor may terminate this Agreement if Owner commits a material breach of this Agreement, or any Agreement document, and fails to cure such breach within 30 days of its receipt of written notice of the breach from Contractor. However, any dispute over amounts claimed to be owed shall be resolved in accordance with the dispute resolution provisions of this Agreement and shall not serve as a basis for Contractor to place Owner in default hereunder and in such event, Contractor shall continue to perform its Work under the terms of this Agreement.

21.3 Owner shall have the right to terminate this Agreement with or without cause, effective immediately upon notice to Contractor or as otherwise set forth in such notice. A termination "for cause" includes, but is not limited to, circumstances where: (a) Contractor fails to comply with this Agreement; (b) Contractor repudiates any of this Agreement; (c) Owner is insecure and requests assurances of Contractor's ability or willingness to perform and Contractor fails to provide written assurances satisfactory to Owner within the time requested by Owner; (d) in the event of any proceedings by or against Contractor in bankruptcy, insolvency of Contractor, any proceedings for appointment of a receiver or trustee or an assignment for the benefit of creditors or any other similar event; (e) Contractor refuses or neglects to supply a sufficient quantity of Work of proper quality, as determined by Owner; (f) Contractor fails to make prompt payment to Contractor's Agents for Materials or labor; (g) Contractor violates any Applicable Law; (h) causes interference, stoppage, or delay to the Project or any activity necessary to complete the Project; and/or (i) Contractor is listed by the administrative office of an applicable employee benefit trust, including by way of illustration but not of exclusion, health, welfare, pension, vacation or apprenticeship trust, as being

delinquent in the payment to any such trust, regardless of the construction project upon which delinquency occurred.

- 21.4** Owner's total liability to Contractor upon termination of this Agreement without cause shall be limited to any remaining payment for completed Work, including any retainage, delivered and accepted by Owner. In no event, shall Contractor be entitled to any indirect costs, delay damages, consequential damages, lost profits, overhead, acceleration damages or any other compensation. However, in the event that Owner terminates any this Agreement for cause, Owner may, after giving Contractor notice of default and 3 calendar days within which to cure, have the right to exercise any one or more of the following remedies:
- (a) Owner may immediately take any action Owner may deem necessary to correct such default, including specifically the right to provide labor, overtime labor, materials, equipment and/or other Contractors, and Contractor shall reimburse and pay Owner for all Costs incurred or paid by Owner resulting therefrom, or Owner may deduct the cost of correcting such default plus a markup of 10% for overhead and 10% for profit from any payment due, or that may become due, to the Contractor;
 - (b) Owner may terminate this Agreement and the employment of Contractor, without thereby waiving or releasing any rights or remedies against Contractor or its sureties, and take possession of the Contractor's materials, tools, equipment, designs, shop drawings, and work product used in performing its Work, and employ another Contractor or use the employees, equipment, designs, shop drawings and work product of Contractor to finish the remaining Work to be performed hereunder. Owner may deduct the costs of completing the remaining work plus a markup of 10% for overhead and 10% for profit from the unpaid Agreement price, and if the cost of completing the remaining Work exceeds the Agreement amount, Contractor shall pay to Owner such excess costs, including attorney's fees;
 - (c) Recover from Contractor all losses, damages, penalties and fines, whether actual or liquidated, direct or consequential (including without limitation any increase in Owner's cost of insurance resulting from Contractor's failure to maintain insurance coverages required hereunder), Owner's additional/extended general conditions costs and all reasonable attorneys' fees suffered or incurred by Owner by reason of or as a result of Contractor's default plus a markup of 10% for overhead and 10% for profit on all costs incurred by Owner to correct such default;
 - (d) Require Contractor to utilize, at its own expense, overtime labor (including Saturday and Sunday work) and additional shifts as necessary to overcome the consequences of any delay attributable to Contractor's default; After completion of the Work by the exercise of any one or more of the above remedies and acceptance of the Work by the Owner, Owner shall promptly pay Contractor any undisbursed balance of the Agreement, if any. If the cost of completion of the Work plus a markup of 10% for overhead and 10% for profit, together with any other damages or losses sustained or incurred by Owner, shall exceed the un-disbursed balance of the Agreement, Contractor and its guarantors, surety, or sureties shall pay the difference within 15 days of written demand from Owner.
- 21.5** Should any termination for cause under this Agreement be deemed invalid, wrongful or improper, such termination for cause shall be deemed a termination without cause as set forth above and Contractor's rights and remedies against Owner shall be limited as set forth above.
- 21.6** If Contractor neglects to perform the Work in accordance with the Agreement and/or as directed by Owner and fails within 3 calendar days from the date of written notice from Owner to correct such deficiency, Owner may, without declaring Contractor in default and without prejudice to any other remedies the Owner may have, correct such deficiencies. In such case, an appropriate deductive change order shall be issued for all costs incurred by Owner in carrying out such work, including but not limited to attorneys' fees. If the remaining Agreement balance is not sufficient to cover such costs, Contractor shall pay the difference to Owner.

- 21.7 Upon expiration or termination of this Agreement for any reason, Contractor will, at Owner's request, continue to provide Work pursuant to the terms of this Agreement, and provide reasonable transition assistance services to prevent disruption in Owner's business activities, for a period of up to 6 months after the termination date, at Owner's discretion. However, at Owner's request, Contractor will promptly vacate the jobsite(s), remove all Contractor equipment from the jobsite(s), complete all of Contractor's clean-up and other obligations, and otherwise reasonably cooperate with Owner in winding down Contractor's participation in the Project. Should Contractor fail to promptly vacate the jobsite(s), Owner may take possession of the premises and of all materials, tools and equipment thereon, and finish the work by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment until the work is finished. If the unpaid balance of the contract price shall exceed the expense of finishing the work, including compensation for additional managerial and administrative expenses, such excess shall be paid to the Contractor. If such expense shall exceed such unpaid balance, the Contractor shall pay the difference to the Owner upon demand.
- 21.8 All provisions of this Agreement which by their nature should survive termination of this Agreement shall so survive termination of this Agreement, including, without limitation, those provisions related to warranty, arbitration, indemnification and limitations of liability.
22. **Limitation of Liability and Waiver of Consequential Damages.** In no event, shall Owner be liable to Contractor in connection with this Agreement and/or the Work, regardless of the form of action or theory of recovery, for any: (a) indirect, special, exemplary, consequential, liquidated, incidental or punitive damages, even if Owner has been advised of the possibility of such damages; and/or (b) lost profits, lost revenues, lost business expectancy, business interruption losses and/or benefit of the bargain damages. Nothing in this Agreement shall be deemed as a waiver of the Owner's sovereign immunity or the Owner's limits of liability as set forth in Section 768.28, Florida Statutes, or other statute, and nothing in this Agreement shall inure to the benefit of any third party for the purpose of allowing any claim which would otherwise be barred under such limitations of liability or by operation of law.
23. **Force Majeure.** Subject to the terms of this Agreement, neither Party shall be liable for any failure or delay in performing its obligations hereunder during any period in which such performance is prevented or delayed by any Force Majeure Event.
24. **Independent Contractor Relationship.** The relationship between Owner and Contractor is that of an independent contractor. Nothing in this Agreement shall be construed as creating a relationship between Owner and Contractor of joint venturers, partners, employer-employee, or agent. Neither party has the authority to create any obligations for the other, or to bind the other to any representation or document.
25. **Continued Performance.** Each party shall continue performing its obligations under this Agreement while any dispute submitted to litigation or any other dispute resolution process is being resolved until such obligations are terminated by the expiration or termination of this Agreement or by a final and binding award, order, or judgment to the contrary. Notwithstanding the preceding sentence, however, neither party shall withhold any payments due to the other party under this Agreement during the pendency of any other dispute resolution process, including mediation, unless such payments relate to or are the subject matter of such proceedings, or are otherwise subject to dispute, or withholding of such payment is otherwise permitted by this Agreement.
26. [intentionally omitted]
27. **General Terms.**
- 27.1 Contractor hereby consents and agrees to allow Owner (or Project Owner and any of their Affiliates), in their sole discretion and judgment, to set-off any of Owner's (or any of their respective Affiliates') existing or anticipated claims for damages or deficiencies resulting from Contractor's Work on the Project against any funds due, or which may become due to Contractor for Work performed on another project pursuant to another agreement with Owner (or any of their respective Affiliates). No refusal or failure of Owner to exercise its rights hereunder shall constitute the basis of any right or claim against Owner.

- 27.2 Where agreement, approval, acceptance, consent or similar action by either party is required by any provision of this Agreement, such action shall not be unreasonably delayed or withheld unless otherwise expressly permitted.
- 27.3 All warranties provided by Contractor, and all of Owner's rights and remedies set forth in this Agreement, are cumulative and are in addition to all other warranties, rights and remedies provided to Owner by this Agreement, all Purchase Orders, any other document, or at law, in equity or otherwise, including all warranties, rights and remedies under the Uniform Commercial Code.
- 27.4 The parties agree that, except as otherwise specifically provided for in this Agreement: (a) this Agreement is for the benefit of the parties to this Agreement and is not intended to confer any rights or benefits on any third party (including any employee of either party) other than the Indemnitees; and (b) there are no third-party beneficiaries to this Agreement or any specific term of this Agreement, other than the Indemnitees.
- 27.5 This Agreement, all of the Agreement Documents, and any Amendments thereto, contain the entire understanding of the parties with respect to the subject matter addressed herein and supersede, replace and merge all prior understandings, promises, representations and agreements, whether written or oral, relating thereto. Upon execution of this Agreement, and any renewal thereof, the terms of this Agreement shall apply to all then-outstanding Agreements between Owner and Contractor. Both parties contributed to the drafting of this Agreement, and had the advice of counsel, and therefore agree that this Agreement should not be construed in favor of either party. Except as expressly provided herein, the remedies accorded the parties under this Agreement are cumulative and in addition to those provided by law, in equity or elsewhere in this Agreement.
- 27.6 Except as expressly provided herein, this Agreement may not be modified except by a writing signed by both parties. All requests for amendments, modifications and/or changes to the terms and conditions of this Agreement ("Amendments") shall be communicated in writing to an authorized representative of the other party. All approved Amendments shall be formalized by an Amendment document executed by an authorized representative of each party.
- 27.7 Any waiver of a party's right or remedy related to this Agreement must be in writing, signed by that party to be effective. No waiver shall be implied from a failure of either party to exercise a right or remedy. In addition, no waiver of a party's right or remedy shall affect the other provisions of this Agreement.
- 27.8 If any provision of this Agreement is held by a court of competent jurisdiction to be invalid or unenforceable, such provision shall be enforced to the fullest extent that it is valid and enforceable under Applicable Law. All other provisions of this Agreement shall remain in full force and effect.
- 27.9 Except as otherwise provided herein, all notices must be in writing and sent either by hand delivery; messenger; certified mail, return receipt requested; overnight courier; facsimile; or by e-mail (with a confirming copy) and shall be effective when received by such party (as documented by a delivery receipt, confirmed facsimile transmission, or return e-mail acknowledging receipt) at the address listed above or other address provided in writing.
- 27.10 **Neither party may assign this Agreement, in whole or in part, without the other party's prior express written consent, which shall not be unreasonably withheld or delayed. Any attempted assignment without such written consent shall be void. Notwithstanding the foregoing, Owner may assign this Agreement without Contractor's consent to Developer or to one or more of its Affiliates, provided that each such Affiliate agrees to be bound by this Agreement. Subject to the provisions of this Section, this Agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns.**
- 27.11 **FOR THEIR MUTUAL BENEFIT, OWNER AND CONTRACTOR WAIVE ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS AGREEMENT**

27.12 Choice of Law, Arbitration and Venue

- a) All actions, claims, counterclaims, controversies, or disputes (each, a "Dispute") between Owner and Contractor arising out of or related to this Agreement, the Agreement Documents, or the Work, whether based on contract or tort, shall be decided by binding arbitration with the American Arbitration Association ("AAA") in Lake County, Florida, in accordance with the Construction Industry Rules of the AAA then existing, but subject to the requirements and limitations set forth below. If AAA will not enforce the Agreement Documents as written, it cannot serve as the arbitration organization to resolve the Dispute. If this situation arises, the parties shall agree on a substitute arbitration organization. If the parties are unable to agree, the parties shall mutually petition a court of appropriate jurisdiction in Lake County, Florida, to appoint an arbitration organization that will enforce the Agreement Documents as written.
- b) A single arbitrator will resolve the Dispute. The arbitrator will honor claims of privilege recognized by law and will take reasonable steps to protect all confidential or proprietary information. The arbitrator will make any award in writing but need not provide a statement of reasons unless requested by a party.
- c) The party filing for arbitration shall pay the initiation/filing fees and the arbitrator's costs and expenses. The parties shall each be responsible for additional costs they incur in the arbitration, including, but not limited to, fees for attorneys or expert witnesses. The prevailing party in the arbitration shall be entitled to recover as part of the final award all reasonable attorneys' fees and costs, including fees for expert witnesses, incurred in the arbitration. The arbitrator may re-allocate other fees and costs (but not the attorneys' and expert fees of the parties) among the parties to the proceeding in his or her discretion as the interests of justice dictate.
- d) This Agreement shall be construed according to the laws of the State of Florida. However, all Disputes shall be governed, interpreted and enforced according to the Federal Arbitration Act (9 U.S.C. §§ 1-16), which is designed to encourage use of alternative methods of Dispute resolution that avoid costly and potentially lengthy court proceedings. Interpretation and application of these procedures shall conform to federal court rulings interpreting and applying the Federal Arbitration Act. References to state law shall not be construed as a waiver of any rights of the parties under the Federal Arbitration Act or the right of the parties to have the procedures set forth in this Agreement interpreted and enforced under the Federal Arbitration Act. However, whenever such laws are not in conflict, the arbitrator shall apply the laws of the State of Florida. The arbitrator's award may be enforced in any court of competent jurisdiction sitting in and for Palm Beach County, Florida. The arbitrator shall have the authority to try and shall try all issues, whether of fact or law, including without limitation, the validity, scope and enforceability of these Dispute resolution provisions, and may issue any remedy or relief that the courts of the State of Florida could issue if presented the same circumstances.
- e) The arbitrator is required to enforce the terms of this Agreement. The arbitrator shall not be authorized to award any punitive damages or any other damages waived or prohibited under the terms of this Agreement.
- f) Prior to any arbitration, mediation and/or litigation arising under this Agreement, the parties shall each appoint a corporate officer (someone other than the project manager responsible for the Project) to meet to negotiate the claim/dispute. Such corporate officer shall have full settlement authority to resolve the claim/dispute. This settlement meeting shall be a condition precedent to the filing of any arbitration and/or litigation.
- g) THE PARTIES FURTHER AGREE THAT SHOULD ANY LITIGATION ARISE DIRECTLY OR INDIRECTLY UNDER THIS AGREEMENT, INCLUDING IF THE ARBITRATION DECISION MUST BE ENFORCED IN ANY COURT, THE PARTIES HEREBY WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL, AND THE PARTIES HEREBY STIPULATE THAT ANY SUCH TRIAL SHALL OCCUR WITHOUT A JURY.
- h) Discovery in any arbitration hereunder shall be limited to the following:
 - i. The production of each side's hard document project files as they are maintained in the ordinary course of business and any file index related to same with all such documents being produced in Lake County, Florida;
 - ii. The production of each side's electronic documents provided that the party requesting such electronic documents shall be responsible to pay for all costs associated with such production, including attorneys' fees incurred in the review for privilege and relevance, third-party consultant fees and any other costs associated with such electronic production. The payment of all such costs is an express condition precedent to either side's right to any electronic production. These costs associated with obtaining electronic discovery shall not be taxed to the prevailing party as

costs/fees and to the extent this conflicts with any provision in the AAA rules, this provision shall control;

- iii. 3 fact depositions with one being a corporate representative under the Federal Rules of Civil Procedure if so requested with all such depositions to take place in Lake County, Florida;
 - iv. The deposition of any experts that intend to testify at the arbitration hearing;
 - v. 30 days prior to any expert deposition, all experts that will testify at the final hearing shall provide a report containing all of his/her opinions and information/documents/facts relied upon in arriving at such opinions, along with a current resume;
 - vi. The issuance of third party subpoenas for documents. The other side shall be entitled to a copy of all documents provided in response to a third-party subpoena provided that it has to pay for the copy cost but shall be entitled to use a third party to make such copies; and
 - vii. An itemized statement of damages with all supporting documents related to same. No other discovery shall be permitted by the arbitrator unless mutually agreed to by the parties.
- i) This Choice of Law, Arbitration and Venue provision shall survive the termination of this Agreement and/or completion of the Work required hereunder.

28. Public Records. Contractor understands and agrees that all documents of any kind provided to the District or to District staff in connection with the work contemplated under the Agreement are public records and shall be treated as such in accordance with Florida law.

29. Tax Exempt Direct Purchases. The parties agree that the Owner may in its sole discretion elect to undertake a direct purchase of any or all materials incorporated into the work performed according to the Agreement. In such event, the following conditions shall apply:

- a. The Owner represents to Contractor that the District is a governmental entity exempt from Florida sales and use tax, and has provided Contractor with a copy of its Consumer Exemption Certificate.
- b. The Owner may elect to implement a direct purchase arrangement whereby the Owner will directly acquire certain materials ("Direct Purchase Materials") necessary for the work directly from the suppliers to take advantage of Owner tax exempt status.
- c. Prior to purchasing any materials, the Contractor shall contact the Owner to determine which materials will be treated as Direct Purchase Materials.
- d. The Owner shall issue a Certificate of Entitlement to each supplier of Direct Purchase Materials, and to the Contractor. Each Certificate of Entitlement will be in the format specified by Rule 12A-1.094(4)(c), Florida Administrative Code. Each Certificate of Entitlement shall have attached thereto the corresponding purchase order. Each Certificate of Entitlement shall affirm that (1) the attached purchase order is being issued directly to the vendor supplying the tangible personal property the Contractor will use in the identified public works; (2) the vendor's invoice will be issued directly to the Owner; (3) payment of the vendor's invoice will be made directly by the District to the vendor from public funds; (4) the Owner will take title to the tangible personal property from the vendor at the time of purchase or of delivery by the vendor; and (5) the District assumes the risk of damage or loss at the time of purchase or delivery by the vendor. Each Certificate of Entitlement shall acknowledge that if the Department of Revenue determines the purchase is not a tax-exempt purchase by a governmental entity, then the governmental entity will be responsible for any tax, penalties and interest determined to be due.
- e. The Owner shall issue purchase orders directly to suppliers of Direct Purchase Materials. The Owner shall issue a separate Certificate of Entitlement for each purchase order. Such purchase orders shall require that the supplier provide the required shipping and handling insurance and provide for delivery F.O.B. jobsite. Corresponding change orders shall be executed at the time of the direct purchase to reflect the direct purchases made by the Owner and if the original contract

contemplated sale of materials and installation by same person, the change order shall reflect sale of materials and installation by different legal entities.

- f. Upon delivery of the Direct Purchase Materials to the jobsite, the Owner shall inspect the materials and invoices to determine that they conform to the purchase order. If the materials conform, the Owner shall accept and take title to the Direct Purchase Materials.
- g. Suppliers shall issue invoices directly to the Owner. The Owner shall process invoices and issue payment directly to the suppliers from public funds.
- h. Upon acceptance of Direct Purchase Materials, the Owner shall assume risk of loss of same until they are incorporated into the project. Contractor shall be responsible for safeguarding all Direct Purchase Materials and for obtaining and managing all warranties and guarantees for all material and products.
- i. The Owner shall maintain builder's risk insurance on the Direct Purchase Materials.

30. Scrutinized Companies Statement. Contractor shall properly execute a sworn statement pursuant to section 287.135(5), Florida Statutes, regarding Scrutinized Companies with Activities in Sudan List or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, and by signing this Addendum represents that Contractor is able to execute such sworn statement. The statement shall be substantially in the form of the attached **Exhibit K**. If the Contractor is found to have submitted a false certification as provided in section 287.135(5), Florida Statutes, been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or been engaged in business operations in Cuba or Syria, the Owner may immediately terminate the Contract.

31. Public Entity Crimes Statement. Contractor shall properly execute a sworn statement under section 287.133(3)(a), Florida Statutes, regarding public entity crimes, and by signing this Agreement represents that Contractor is able to execute such sworn statement. In connection with all of its activities under this Agreement, Contractor shall take all reasonable safety precautions, shall comply with all safety measures, rules, programs and/or processes initiated by Owner, shall comply with all Applicable Laws, and, to the extent that such safety orders are applicable to the Work being performed by Contractor, shall provide Material Safety Data Sheets to Owner for any hazardous material that Contractor may use in performing the Contractor's Work. Contractor shall be responsible for initiating, maintaining and supervising all safety precautions and programs in connection with the Work, and shall ensure that all Work areas comply with all safety measures, rules, programs and/or processes initiated by Owner, all Applicable Laws and all applicable industry standards. Contractor shall take all reasonable precautions for the safety of, and shall provide all reasonable protection to prevent damage, injury or loss to: (i) all employees involved in the Work and all other persons who may be affected thereby; (ii) all the Work of Contractor and of others and all Materials and equipment to be incorporated therein, whether in storage on or off the jobsite, and/or (iii) other property at the jobsite or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures and utilities. - C. OSHA. Contractor acknowledges that the Occupational Safety and Health Act of 1970 (and any and all state and local laws related to occupational health and safety) (the "OSHA Regulations"), all as amended from time to time, require, among other things, all Contractors and subcontractors to furnish to their workers' employment and a place of employment that is free from recognized hazards. In this regard, Contractor specifically agrees, without limitation of its general obligations, as follows:
- a. Contractor will fully comply with the OSHA Regulations and will cooperate with Owner and all other contractors, subcontractors and sub-subcontractors of Owner in order to assure compliance with the OSHA Regulations.

- b. Contractor accepts full responsibility and liability for the training of its employees as to all precautionary measures necessary to protect such employees during both routine and emergency situations on the Project jobsite and Contractor shall make available for Owners review all records and logs indicating such training was administered by Contractor to its employees.
- c. Contractor will assist Owner in complying with the OSHA Regulations.
- d. Before using any chemicals in its performance of the Work for Owner, Contractor must give Owner prior written notice of the existence and the possible exposure to such chemicals, and deliver a material safety data sheet to Owner.
- e. Contractor will fully comply (and will cause its employees and Agents to comply) with any Project jobsite rules or regulations, including those that relate to safety, that Owner may choose to put in place. Even though Owner may put some safety-related rules and regulations in place, Contractor acknowledges that it continues to be responsible for the safety of its employees and Agents and that Owner assumes no responsibility or obligation for their safety.

Owner has entered into this Agreement with Contractor with the expectation that Contractor will perform Work on the Project jobsites fully in compliance with OSHA Regulations. Any failure by Contractor to do so could result in potential losses to Owner (for example, without limitation, potential liability for injuries, administrative fines or penalties, operational costs due to work stoppages, etc.). Because of these potential losses, if Owner identifies violations of OSHA Regulations or of the Project jobsite rules and regulations related to safety established by Owner by Contractor (or its employees or Agents), Contractor shall, in addition to and not in place of any and all other rights and remedies that Owner may have under this Agreement, reimburse Owner for all direct and indirect costs, fees, damages and expenses incurred or paid by Owner, including, without limitation, replacement Material, equipment and/or product costs, labor costs, production stoppage costs, and legal fees and expenses (collectively the "Costs") associated therewith. Owner may offset or back-charge these Costs against any amounts that may otherwise be due from Owner to Contractor, whether under this Agreement or under any other agreement between Owner and Contractor now or hereafter existing. Although Owner has the right to do so, Owner has no obligation (and does not commit or assume) to monitor compliance with OSHA Regulations by Contractor (and Contractor's Agents and employees). Owner's failure to assess Costs against Contractor for violations of OSHA Regulations or of the Project jobsite rules and regulations related to safety established by Owner shall in no way waive any of Owner's rights and remedies available under this Agreement or otherwise. Furthermore, failure to comply with this Section is a default by Contractor, giving Owner the right to exercise any remedies (including termination, penalties and fines) available under this Agreement.

- D. Professional Conduct. Contractor and Contractor's Agents, employees and field workers of any tier shall conduct themselves in a professional manner, shall comply with all Project jobsite rules and regulations adopted by Owner, shall comply with all of Owner's reasonable requests regarding personal conduct and shall resolve any field disputes with Owner in a professional and diplomatic manner without impeding progress of the Work.
- E. Rules. Contractor, its field workers, and any subcontractors and sub-subcontractors shall observe the following rules at all times:
1. Job site working hours are regulated by the local governmental agencies, Applicable Laws and ordinances and possibly homeowner's association rules and regulations. It is the responsibility of Contractor, its personnel and suppliers to learn and comply with said Applicable Laws and ordinances.
 2. No loud radios, music, or unnecessary noise on the site.
 3. No distraction of fellow workers.
 4. No alcohol or drugs on the site.
 5. No weapons of any kind on the site.

- (c) Vandalism and malicious mischief;
- (d) Contractual liability insuring the obligations assumed by Contractor in the Agreement;

- (b) This policy must include a documented waiver of subrogation in favor of Owner, Developer, Project HOA Entity (if applicable), and their Affiliates (in states where permitted).

CERTIFICATES OF INSURANCE. Contractor shall evidence that such insurance is in force by furnishing Owner with a certificate of insurance, or if requested by Owner, certified copies of the policies, at least 7 days before Contractor is to commence Work if such certificates are not available upon execution of the Agreement. Notwithstanding the non-renewal or termination of the Agreement, Contractor shall provide renewal certificates and endorsements to Owner for so long as the applicable insurance is required to be maintained pursuant to the Agreement. - (b) The policy provides that any change or termination within the policy periods of the insurance coverages, as certified, shall not be effective within thirty (30) days prior written notice to the Owner. A certificate reciting that the carrier or agent will endeavor to notify Owner is unacceptable;
- (c) The policy does not contain exclusions for the Work and/or for duties performed by Contractor pursuant to the Agreement, including, without limitation, attached product (if applicable), or liability that arises from a dispute governed by a notice and opportunity to repair statute.
- (d) The General Liability, Auto Liability and Umbrella/Excess Liability policies shall include a provision or endorsement naming Owner, Developer, Project HOA Entity (if applicable) and their officers and employees as additional insureds with respect to liabilities arising out of Contractor's

(or subcontractors') performance of the work under the Agreement and shall be primary and noncontributory. Owners insurance shall be considered excess for purposes of responding to any Claims. The following wording must be included in the Description of Operations on the Certificate of Insurance: "This insurance is Primary and Non-Contributory;"

- (e) Contractor shall add Owner, Developer, Project HOA Entity (if applicable), and their Affiliates, as additional insureds on the CGL, Auto Liability and Umbrella/Excess policies by having the insurance carrier issue an additional insured endorsement(s) at least as broad as the ISO CG 2010 11 85 Additional Insured - Owners, Lessees or Subcontractors - Form B endorsement and GC20 37 07 04, or its equivalent, as published by the Insurance Services Office (ISO). Additional Insured status for Completed Operations, via endorsement form CG 2037, will apply for three (3) years following completion of the work. The executed endorsement shall be attached to the Certificate of Insurance. Such additional insured status under the CGL policy must not be limited by amendatory language to the policy. Further, this endorsement shall:
 - (i) Provide coverage for both premises/ongoing operations and products-completed operations to the benefit of the additional insured; and

- (f) Contractor's CGL policy contains contractual liability coverage;
